### **SEC. 441. [42 U.S.C. 2751] PURPOSE; APPROPRIATIONS AUTHORIZED.**

(a) **PURPOSE.**—The purpose of this part is to stimulate and promote the part-time employment of students who are enrolled as undergraduate, graduate, or professional students and who are in need of earnings from employment to pursue courses of study at eligible institutions, and to encourage students receiving Federal student financial assistance to participate in community service activities that will benefit the Nation and engender in the students a sense of social responsibility and commitment to the community.

(b) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated to carry out this part, \$1,000,000,000 for fiscal year 1999 and such sums as may be necessary for each of the 4 succeeding fiscal years.

(c) **COMMUNITY SERVICES.**—For purposes of this part, the term “community services” means services which are identified by an institution of higher education, through formal or informal consultation with local nonprofit, governmental, and community-based organizations, as designed to improve the quality of life for community residents, particularly low-income individuals, or to solve particular problems related to their needs, including—

and

(C) counseling, including career counseling.

**SEC. 442. [42 U.S.C. 2752] ALLOCATION OF FUNDS.**

(a) ALLOCATION BASED ON PREVIOUS ALLOCATION<sup>1</sup>.—(1) From the amount appropriated pursuant to section 441(b) for each fiscal year, the Secretary shall first allocate to each eligible institution for each succeeding fiscal year, an amount equal to 100 percent of the amount such institution received under subsections (a) and (b) for fiscal year 1999 (as such subsections were in effect with respect to allocations for such fiscal year).

(2)(A) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this part after fiscal year 1999 but is not a first or second time participant, an amount equal to the greater of—

(i) \$5,000; or

(ii) 90 percent of the amount received and used under this part for the first year it participated in the program.

(B) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this part after fiscal year 1999 and is a first or second time participant, an amount equal to the greatest of—

(i) \$5,000;

(ii) an amount equal to (I) 90 percent of the amount received and used under this part in the second preceding fiscal year by eligible institutions offering comparable programs of instruction, divided by (II) the number of students enrolled at such comparable institutions in such fiscal year, multiplied by (III) the number of students enrolled at the applicant institution in such fiscal year; or

(iii) 90 percent of the institution's allocation under this part for the preceding fiscal year.

(C) Notwithstanding subparagraphs (A) and (B) of this paragraph, the Secretary shall allocate to each eligible institution which—

(i) was a first-time participant in the program in fiscal year 2000 or any subsequent fiscal year, and

(ii) received a larger amount under this subsection in the second year of participation,

an amount equal to 90 percent of the amount it received under this subsection in its second year of participation.

(3)(A) If the amount appropriated for any fiscal year is less than the amount required to be allocated to all institutions under paragraph (1) of this subsection, then the amount of the allocation to each such institution shall be ratably reduced.

(B) If the amount appropriated for any fiscal year is more than the amount required to be allocated to all institutions under paragraph (1) but less than the amount required to be allocated to all institutions under paragraph (2), then—

(i) the Secretary shall allot the amount required to be allocated to all institutions under paragraph (1), and

<sup>1</sup>The allocation provisions of section 413D of the Higher Education Act of 1965 were amended by section 442 of the Higher Education Amendments of 1998 (P.L. 105-244; 112 Stat. 1712). Subsection (c) of that section 442 contained the following effective date provision:

(c) EFFECTIVE DATE.—The amendments made by this section shall apply with respect to allocations of amounts appropriated pursuant to section 441(b) for fiscal year 2000 or any succeeding fiscal year.

(ii) the amount of the allocation to each institution under paragraph (2) shall be ratably reduced.

(C) If additional amounts are appropriated for any such fiscal year, such reduced amounts shall be increased on the same basis as they were reduced (until the amount allocated equals the amount required to be allocated under paragraphs (1) and (2) of this subsection).

(4)(A) Notwithstanding any other provision of this section, the Secretary may allocate an amount equal to not more than 10 percent of the amount by which the amount appropriated in any fiscal year to carry out this part exceeds \$700,000,000 among eligible institutions described in subparagraph (B).

(B) In order to receive an allocation pursuant to subparagraph (A) an institution shall be an eligible institution from which 50 percent or more of the Pell Grant recipients attending such eligible institution graduate or transfer to a 4-year institution of higher education.

(b) ALLOCATION OF EXCESS BASED ON SHARE OF EXCESS ELIGIBLE AMOUNTS.—(1) From the remainder of the amount appropriated pursuant to section 441(b) after making the allocations required by subsection (a), the Secretary shall allocate to each eligible institution which has an excess eligible amount an amount which bears the same ratio to such remainder as such excess eligible amount bears to the sum of the excess eligible amounts of all such eligible institutions (having such excess eligible amounts).

(2) For any eligible institution, the excess eligible amount is the amount, if any, by which—

(A)(i) the amount of that institution's need (as determined under subsection (c)), divided by (ii) the sum of the need of all institutions (as so determined), multiplied by (iii) the amount appropriated pursuant to section 441(b) for the fiscal year; exceeds

(B) the amount required to be allocated to that institution under subsection (a).

(c) DETERMINATION OF INSTITUTION'S NEED.—(1) The amount of an institution's need is equal to the sum of the self-help need of the institution's eligible undergraduate students and the self-help need of the institution's eligible graduate and professional students.

(2) To determine the self-help need of an institution's eligible undergraduate students, the Secretary shall—

(A) establish various income categories for dependent and independent undergraduate students;

(B) establish an expected family contribution for each income category of dependent and independent undergraduate students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;

(C) compute 25 percent of the average cost of attendance for all undergraduate students;

(D) multiply the number of eligible dependent students in each income category by the lesser of—

- (i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or
  - (ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;
  - (E) add the amounts determined under subparagraph (D) for each income category of dependent students; and
  - (F) multiply the number of eligible independent students in each income category by the lesser of—
    - (i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or
    - (ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction for any income category shall not be less than zero;
  - (G) add the amounts determined under subparagraph (F) for each income category of independent students; and
  - (H) add the amounts determined under subparagraphs (E) and (G).
- (3) To determine the self-help need of an institution's eligible graduate and professional students, the Secretary shall—
- (A) establish various income categories of graduate and professional students;
  - (B) establish an expected family contribution for each income category of graduate and professional students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;
  - (C) determine the average cost of attendance for all graduate and professional students;
  - (D) subtract from the average cost of attendance for all graduate and professional students (determined under subparagraph (C)), the expected family contribution (determined under subparagraph (B)) for each income category, except that the amount computed by such subtraction for any income category shall not be less than zero;
  - (E) multiply the amounts determined under subparagraph (D) by the number of eligible students in each category; and
  - (F) add the amounts determined under subparagraph (E) of this paragraph for each income category.
- (4)(A) For purposes of paragraphs (2) and (3), the term "average cost of attendance" means the average of the attendance costs for undergraduate students and for graduate and professional students, which shall include (i) tuition and fees determined in accordance with subparagraph (B), (ii) standard living expenses determined in accordance with subparagraph (C), and (iii) books and supplies determined in accordance with subparagraph (D).

(B) The average undergraduate and graduate and professional tuition and fees described in subparagraph (A)(i) shall be computed on the basis of information reported by the institution to the Secretary, which shall include (i) total revenue received by the institution from undergraduate and graduate tuition and fees for the second year preceding the year for which it is applying for an allocation, and (ii) the institution's enrollment for such second preceding year.

(C) The standard living expense described in subparagraph (A)(ii) is equal to 150 percent of the difference between the income protection allowance for a family of five with one in college and the income protection allowance for a family of six with one in college for a single independent student.

(D) The allowance for books and supplies described in subparagraph (A)(iii) is equal to \$450.

(d) REALLOCATION OF EXCESS ALLOCATIONS.—(1) If institutions return to the Secretary any portion of the sums allocated to such institutions under this section for any fiscal year, the Secretary shall reallocate such excess to eligible institutions which used at least 5 percent of the total amount of funds granted to such institution under this section to compensate students employed in tutoring in reading and family literacy activities in the preceding fiscal year. Such excess funds shall be reallocated to institutions which qualify under this subsection on the same basis as excess eligible amounts are allocated to institutions pursuant to subsection (b). Funds received by institutions pursuant to this subsection shall be used to compensate students employed in community service.

(2) If, under paragraph (1) of this subsection, an institution returns more than 10 percent of its allocation, the institution's allocation for the next fiscal year shall be reduced by the amount returned. The Secretary may waive this paragraph for a specific institution if the Secretary finds that enforcing this paragraph would be contrary to the interest of the program.

(e) FILING DEADLINES.—The Secretary shall, from time to time, set dates before which institutions must file applications for allocations under this part.

**SEC. 443. [42 U.S.C. 2753] GRANTS FOR FEDERAL WORK-STUDY PROGRAMS.**

(b) CONTENTS OF AGREEMENTS.—An agreement entered into pursuant to this section shall—

(1) provide for the operation by the institution of a program for the part-time employment, including internships, practica, or research assistantships as determined by the Secretary, of its students in work for the institution itself, work in community service or work in the public interest for a Federal, State, or local public agency or private nonprofit organization under an arrangement between the institution and such agency or organization, and such work—

(A) will not result in the displacement of employed workers or impair existing contracts for services;

(B) will be governed by such conditions of employment as will be appropriate and reasonable in light of such factors as type of work performed, geographical region, and proficiency of the employee;

(C) does not involve the construction, operation, or maintenance of so much of any facility as is used or is to be used for sectarian instruction or as a place for religious worship; and

(D) will not pay any wage to students employed under this subpart that is less than the current Federal minimum wage as mandated by section 6(a) of the Fair Labor Standards Act of 1938;

(2) provide that funds granted an institution of higher education, pursuant to section 443, may be used only to make payments to students participating in work-study programs, except that—

(B) for fiscal year 2000 and succeeding fiscal years, an institution shall use at least 7 percent of the total amount of funds granted to such institution under this section for such fiscal year to compensate students employed in community service, and shall ensure that not less than 1 tutoring or family literacy project (as described in subsection (d)) is included in meeting the requirement of this subparagraph, except that the Secretary may waive this subparagraph if the Secretary determines that enforcing this subparagraph would cause hardship for students at the institution; and

(3) provide that in the selection of students for employment under such work-study program, only students who demonstrate financial need in accordance with part F and meet the requirements of section 484 will be assisted, except that if the institution's grant under this part is directly or indirectly based in part on the financial need demonstrated by students who are (A) attending the institution on less than a full-time basis, or (B) independent students, a reasonable portion of the grant shall be made available to such students;

(4) provide that for a student employed in a work-study program under this part, at the time income derived from any need-based employment is in excess of the determination of the amount of such student's need by more than \$300, continued employment shall not be subsidized with funds appropriated under this part;

(5) provide that the Federal share of the compensation of students employed in the work-study program in accordance with the agreement shall not exceed 75 percent, except that—

(A) the Federal share may exceed 75 percent, but not exceed 90 percent, if, consistent with regulations of the Secretary—

(i) the student is employed at a nonprofit private organization or a government agency that—

(I) is not a part of, and is not owned, operated, or controlled by, or under common ownership, operation, or control with, the institution;

(II) is selected by the institution on an individual case-by-case basis for such student; and

(III) would otherwise be unable to afford the costs of such employment; and

(ii) not more than 10 percent of the students compensated through the institution's grant under this part during the academic year are employed in positions for which the Federal share exceeds 75 percent; and

(B) the Federal share may exceed 75 percent if the Secretary determines, pursuant to regulations promulgated by the Secretary establishing objective criteria for such determinations, that a Federal share in excess of such amounts is required in furtherance of the purpose of this part;

(6) include provisions to make employment under such work-study program reasonably available (to the extent of available funds) to all eligible students in the institution in need thereof;

(7) provide assurances that employment made available from funds under this part will, to the maximum extent practicable, complement and reinforce the educational program or vocational goals of each student receiving assistance under this part;

(8) provide assurances, in the case of each proprietary institution, that students attending the proprietary institution receiving assistance under this part who are employed by the institution may be employed in jobs—

(A) that are only on campus and that—

(i) to the maximum extent practicable, complement and reinforce the education programs or vocational goals of such students; and

(ii) furnish student services that are directly related to the student's education, as determined by the Secretary pursuant to regulations, except that no student shall be employed in any position that would in-

volve the solicitation of other potential students to enroll in the school; or

(B) in community service in accordance with paragraph (2)(A) of this subsection;

(9) provide assurances that employment made available from funds under this part may be used to support programs for supportive services to students with disabilities;

(10) provide assurances that the institution will inform all eligible students of the opportunity to perform community service, and will consult with local nonprofit, governmental, and community-based organizations to identify such opportunities; and

(11) include such other reasonable provisions as the Secretary shall deem necessary or appropriate to carry out the purpose of this part.

(c) PRIVATE SECTOR EMPLOYMENT AGREEMENT.—As part of its agreement described in subsection (b), an institution of higher education may, at its option, enter into an additional agreement with the Secretary which shall—

(1) provide for the operation by the institution of a program of part-time employment of its students in work for a private for-profit organization under an arrangement between the institution and such organization that complies with the requirements of subparagraphs (A) through (D) of subsection (b)(1) and subsection (b)(3);

(2) provide that the institution will use not more than 25 percent of the funds made available to such institution under this part for any fiscal year for the operation of the program described in paragraph (1);

(3) provide that, notwithstanding subsection (b)(5), the Federal share of the compensation of students employed in such program will not exceed 60 percent for academic years 1987–1988 and 1988–1989, 55 percent for academic year 1989–1990, and 50 percent for academic year 1990–1991 and succeeding academic years, and that the non-Federal share of such compensation will be provided by the private for-profit organization in which the student is employed;

(4) provide that jobs under the work study program will be academically relevant, to the maximum extent practicable; and

(5) provide that the for-profit organization will not use funds made available under this part to pay any employee who would otherwise be employed by the organization.

(d) TUTORING AND LITERACY ACTIVITIES.—

(1) USE OF FUNDS.—In any academic year to which subsection (b)(2)(B) applies, an institution shall ensure that funds granted to such institution under this section are used in accordance with such subsection to compensate (including compensation for time spent in training and travel directly related to tutoring in reading and family literacy activities) students—

(A) employed as reading tutors for children who are preschool age or are in elementary school; or

(B) employed in family literacy projects.

(2) PRIORITY FOR SCHOOLS.—To the extent practicable, an institution shall—

(A) give priority to the employment of students in the provision of tutoring in reading in schools that are participating in a reading reform project that—

**SEC. 444. [20 U.S.C. 2754] SOURCES OF MATCHING FUNDS.**

Nothing in this part shall be construed as restricting the source (other than this part) from which the institution may pay its share of the compensation of a student employed under a work-study program covered by an agreement under this part, and such share may be paid to such student in the form of services and equipment (including tuition, room, board, and books) furnished by such institution.

**SEC. 445. [42 U.S.C. 2755] FLEXIBLE USE OF FUNDS.**

(a) CARRY-OVER AUTHORITY.—(1) Of the sums granted to an eligible institution under this part for any fiscal year, 10 percent may, at the discretion of the institution, remain available for expenditure during the succeeding fiscal year to carry out programs under this part.

(2) Any of the sums so granted to an institution for a fiscal year which are not needed by that institution to operate work-study programs during that fiscal year, and which it does not wish to use during the next fiscal year as authorized in the preceding sentence, shall remain available to the Secretary for making grants under section 443 to other institutions in the same State until the close of the second fiscal year next succeeding the fiscal year for which such funds were appropriated.

(b) CARRY-BACK AUTHORITY.—(1) Up to 10 percent of the sums the Secretary determines an eligible institution may receive from funds which have been appropriated for a fiscal year may be used by the Secretary to make grants under this part to such institution for expenditure during the fiscal year preceding the fiscal year for which the sums were appropriated.

(2) An eligible institution may make payments to students of wages earned after the end of the academic year, but prior to the beginning of the succeeding fiscal year, from such succeeding fiscal year's appropriations.

(c) FLEXIBLE USE OF FUNDS.—An eligible institution may, upon the request of a student, make payments to the student under this part by crediting the student's account at the institution or by making a direct deposit to the student's account at a depository in-

**SEC. 446. [42 U.S.C. 2756] JOB LOCATION AND DEVELOPMENT PROGRAMS.**

(a) AGREEMENTS REQUIRED.—(1) The Secretary is authorized to enter into agreements with eligible institutions under which such institution may use not more than 10 percent or \$50,000 of its allotment under section 442, whichever is less, to establish or expand a program under which such institution, separately or in combination with other eligible institutions, locates and develops jobs, including community service jobs, for currently enrolled students.

(2) Jobs located and developed under this section shall be jobs that are suitable to the scheduling and other needs of such students and that, to the maximum extent practicable, complement and reinforce the educational programs or vocational goals of such students.

(b) CONTENTS OF AGREEMENTS.—Agreements under subsection (a) shall—

(2) provide satisfactory assurance that funds available under this section will not be used to locate or develop jobs at an eligible institution;

(3) provide satisfactory assurance that funds available under this section will not be used for the location or development of jobs for students to obtain upon graduation, but rather for the location and development of jobs available to students during and between periods of attendance at such institution;

(4) provide satisfactory assurance that the location or development of jobs pursuant to programs assisted under this section will not result in the displacement of employed workers or impair existing contracts for services;

(5) provide satisfactory assurance that Federal funds used for the purpose of this section can realistically be expected to help generate student wages exceeding, in the aggregate, the amount of such funds, and that if such funds are used to contract with another organization, appropriate performance standards are part of such contract; and

(6) provide that the institution will submit to the Secretary an annual report on the uses made of funds provided under this section and an evaluation of the effectiveness of such program in benefiting the students of such institution.

**SEC. 447. [42 U.S.C. 2756a] ADDITIONAL FUNDS TO CONDUCT COMMUNITY SERVICE WORK-STUDY PROGRAMS.**

(b) **SOURCE AND USE FUNDS.**—

(1) **SOURCE OF FUNDS.**—In addition to the sums appropriated under subsection (f), funds allocated to the institution under part C and part E of this title may be transferred for use under this section to provide flexibility in strengthening the self-help-through-work element in financial aid packaging.

(F) carry out a comprehensive, longitudinal study of student academic progress and academic and career outcomes, relative to student self-sufficiency in financing their higher education, repayment of student loans, continued community service, kind and quality of service performed, and career choice and community service selected after graduation.

(c) **APPLICATION.**—Each eligible institution may submit an application for funds authorized by subsection (f) to use funds under

subsection (b)(1) at such time and in such manner as the Secretary, by regulation, may reasonably require.

### **SEC. 451. [20 U.S.C. 1087a] PROGRAM AUTHORITY.**

(a) IN GENERAL.—There are hereby made available, in accordance with the provisions of this part, such sums as may be necessary to make loans to all eligible students (and the eligible parents of such students) in attendance at participating institutions of higher education selected by the Secretary, to enable such students to pursue their courses of study at such institutions during the period beginning July 1, 1994. Such loans shall be made by participating institutions, or consortia thereof, that have agreements with the Secretary to originate loans, or by alternative originators designated by the Secretary to make loans for students in attendance at participating institutions (and their parents).

(7) REPAYMENT INCENTIVES.—

(A) IN GENERAL.—Notwithstanding any other provision of this part, the Secretary is authorized to prescribe by regulation such reductions in the interest rate paid by a borrower of a loan made under this part as the Secretary determines appropriate to encourage on-time repayment of the loan. Such reductions may be offered only if the Secretary determines the reductions are cost neutral and in the best financial interest of the Federal Government. Any increase in subsidy costs resulting from such reductions shall be completely offset by corresponding savings in funds available for the William D. Ford Federal Direct Loan Program in that fiscal year from section 458 and other administrative accounts.

(B) ACCOUNTABILITY.—Prior to publishing regulations proposing repayment incentives, the Secretary shall ensure the cost neutrality of such reductions. The Secretary shall not prescribe such regulations in final form unless an official report from the Director of the Office of Management and Budget to the Secretary and a comparable report from the Director of the Congressional Budget Office to the Congress each certify that any such reductions will be completely cost neutral. Such reports shall be transmitted to the Committee on Labor and Human Resources of the Senate and the Committee on Education and the Workforce of the House of Representatives not less than 60 days prior to the publication of regulations proposing such reductions.

(c) LOAN FEE.—The Secretary shall charge the borrower of a loan made under this part an origination fee of 4.0 percent of the principal amount of loan.

(d) REPAYMENT PLANS.—

(1) DESIGN AND SELECTION.—Consistent with criteria established by the Secretary, the Secretary shall offer a borrower of a loan made under this part a variety of plans for repayment of such loan, including principal and interest on the loan. The borrower shall be entitled to accelerate, without penalty, repayment on the borrower's loans under this part. The borrower may choose—

(A) a standard repayment plan, with a fixed annual repayment amount paid over a fixed period of time, consistent with subsection (a)(1) of this section;

(B) an extended repayment plan, with a fixed annual repayment amount paid over an extended period of time, except that the borrower shall annually repay a minimum amount determined by the Secretary in accordance with section 428(b)(1)(L);

(C) a graduated repayment plan, with annual repayment amounts established at 2 or more graduated levels and paid over a fixed or extended period of time, except that the borrower's scheduled payments shall not be less than 50 percent, nor more than 150 percent, of what the amortized payment on the amount owed would be if the loan were repaid under the standard repayment plan; and

(D) an income contingent repayment plan, with varying annual repayment amounts based on the income of the borrower, paid over an extended period of time prescribed by the Secretary, not to exceed 25 years, except that the plan described in this subparagraph shall not be available to the borrower of a Federal Direct PLUS loan.

(2) SELECTION BY SECRETARY.—If a borrower of a loan made under this part does not select a repayment plan described in paragraph (1), the Secretary may provide the borrower with a repayment plan described in subparagraph (A), (B), or (C) of paragraph (1).

(3) CHANGES IN SELECTIONS.—The borrower of a loan made under this part may change the borrower's selection of a repayment plan under paragraph (1), or the Secretary's selection of a plan for the borrower under paragraph (2), as the case may be, under such terms and conditions as may be established by the Secretary.

(4) ALTERNATIVE REPAYMENT PLANS.—The Secretary may provide, on a case by case basis, an alternative repayment plan to a borrower of a loan made under this part who demonstrates to the satisfaction of the Secretary that the terms and conditions of the repayment plans available under paragraph (1) are not adequate to accommodate the borrower's exceptional circumstances. In designing such alternative repayment plans, the Secretary shall ensure that such plans do not exceed the cost to the Federal Government, as determined on the basis of the present value of future payments by such borrowers, of loans made using the plans available under paragraph (1).

(5) REPAYMENT AFTER DEFAULT.—The Secretary may require any borrower who has defaulted on a loan made under this part to—

(A) pay all reasonable collection costs associated with such loan; and

(B) repay the loan pursuant to an income contingent repayment plan.

(e) INCOME CONTINGENT REPAYMENT.—

(1) INFORMATION AND PROCEDURES.—The Secretary may obtain such information as is reasonably necessary regarding the income of a borrower (and the borrower's spouse, if applicable) of a loan made under this part that is, or may be, repaid pursuant to income contingent repayment, for the purpose of determining the annual repayment obligation of the borrower. Returns and return information (as defined in section 6103 of the Internal Revenue Code of 1986) may be obtained under the preceding sentence only to the extent authorized by section 6103(l)(13) of such Code. The Secretary shall establish procedures for determining the borrower's repayment obligation on that loan for such year, and such other procedures as are necessary to implement effectively income contingent repayment.

(2) REPAYMENT BASED ON ADJUSTED GROSS INCOME.—A repayment schedule for a loan made under this part and repaid pursuant to income contingent repayment shall be based on the adjusted gross income (as defined in section 62 of the Internal Revenue Code of 1986) of the borrower or, if the borrower is married and files a Federal income tax return jointly with the borrower's spouse, on the adjusted gross income of the borrower and the borrower's spouse.

(3) ADDITIONAL DOCUMENTS.—A borrower who chooses, or is required, to repay a loan made under this part pursuant to income contingent repayment, and for whom adjusted gross income is unavailable or does not reasonably reflect the borrower's current income, shall provide to the Secretary other documentation of income satisfactory to the Secretary, which documentation the Secretary may use to determine an appropriate repayment schedule.

(4) REPAYMENT SCHEDULES.—Income contingent repayment schedules shall be established by regulations promulgated by the Secretary and shall require payments that vary in relation to the appropriate portion of the annual income of the borrower (and the borrower's spouse, if applicable) as determined by the Secretary.

(5) CALCULATION OF BALANCE DUE.—The balance due on a loan made under this part that is repaid pursuant to income contingent repayment shall equal the unpaid principal amount of the loan, any accrued interest, and any fees, such as late charges, assessed on such loan. The Secretary may promulgate regulations limiting the amount of interest that may be capitalized on such loan, and the timing of any such capitalization.

(6) NOTIFICATION TO BORROWERS.—The Secretary shall establish procedures under which a borrower of a loan made under this part who chooses or is required to repay such loan pursuant to income contingent repayment is notified of the terms and conditions of such plan, including notification of such borrower—

(A) that the Internal Revenue Service will disclose to the Secretary tax return information as authorized under section 6103(l)(13) of the Internal Revenue Code of 1986; and

(B) that if a borrower considers that special circumstances, such as a loss of employment by the borrower or the borrower's spouse, warrant an adjustment in the borrower's loan repayment as determined using the information described in subparagraph (A), or the alternative documentation described in paragraph (3), the borrower may contact the Secretary, who shall determine whether such adjustment is appropriate, in accordance with criteria established by the Secretary.

(f) DEFERMENT.—

(1) EFFECT ON PRINCIPAL AND INTEREST.—A borrower of a loan made under this part who meets the requirements described in paragraph (2) shall be eligible for a deferment, during which periodic installments of principal need not be paid, and interest—

(A) shall not accrue, in the case of a—

(i) Federal Direct Stafford Loan; or

(ii) a Federal Direct Consolidation Loan that consolidated only Federal Direct Stafford Loans, or a combination of such loans and Federal Stafford Loans for which the student borrower received an interest subsidy under section 428; or

(B) shall accrue and be capitalized or paid by the borrower, in the case of a Federal Direct PLUS Loan, a Federal Direct Unsubsidized Stafford Loan, or a Federal Direct Consolidation Loan not described in subparagraph (A)(ii).

(2) ELIGIBILITY.—A borrower of a loan made under this part shall be eligible for a deferment during any period—

(A) during which the borrower—

(i) is carrying at least one-half the normal full-time work load for the course of study that the borrower is pursuing, as determined by the eligible institution (as such term is defined in section 435(a)) the borrower is attending; or

(ii) is pursuing a course of study pursuant to a graduate fellowship program approved by the Secretary, or pursuant to a rehabilitation training program for individuals with disabilities approved by the Secretary,

except that no borrower shall be eligible for a deferment under this subparagraph, or a loan made under this part (other than a Federal Direct PLUS Loan or a Federal Direct Consolidation Loan), while serving in a medical internship or residency program;

(B) not in excess of 3 years during which the borrower is seeking and unable to find full-time employment;

(C) not in excess of 3 years during which the Secretary determines, in accordance with regulations prescribed

under section 435(o), that the borrower has experienced or will experience an economic hardship.

(3) DEFINITION OF BORROWER.—For the purpose of this subsection, the term “borrower” means an individual who is a new borrower on the date such individual applies for a loan under this part for which the first disbursement is made on or after July 1, 1993.

(4) DEFERMENTS FOR PREVIOUS PART B LOAN BORROWERS.—A borrower of a loan made under this part, who at the time such individual applies for such loan, has an outstanding balance of principal or interest owing on any loan made, insured, or guaranteed under part B of title IV prior to July 1, 1993, shall be eligible for a deferment under section 427(a)(2)(C) or section 428(b)(1)(M) as such sections were in effect on July 22, 1992.

(g) FEDERAL DIRECT CONSOLIDATION LOANS.—A borrower of a loan made under this part may consolidate such loan with the loans described in section 428C(a)(4). Loans made under this subsection shall be known as “Federal Direct Consolidation Loans”.

(h) BORROWER DEFENSES.—Notwithstanding any other provision of State or Federal law, the Secretary shall specify in regulations (except as authorized under section 457(a)(1)) which acts or omissions of an institution of higher education a borrower may assert as a defense to repayment of a loan made under this part, except that in no event may a borrower recover from the Secretary, in any action arising from or relating to a loan made under this part, an amount in excess of the amount such borrower has repaid on such loan.

(i) LOAN APPLICATION AND PROMISSORY NOTE.—The common financial reporting form required in section 483(a)(1) shall constitute the application for loans made under this part (other than a Federal Direct PLUS loan). The Secretary shall develop, print, and distribute to participating institutions a standard promissory note and loan disclosure form.

(j) LOAN DISBURSEMENT.—

(1) IN GENERAL.—Proceeds of loans to students under this part shall be applied to the student's account for tuition and fees, and, in the case of institutionally owned housing, to room and board. Loan proceeds that remain after the application of the previous sentence shall be delivered to the borrower by check or other means that is payable to and requires the endorsement or other certification by such borrower.

(2) PAYMENT PERIODS.—The Secretary shall establish periods for the payments described in paragraph (1) in a manner consistent with payment of Federal Pell Grants under subpart 1 of part A of this title.

(k) FISCAL CONTROL AND FUND ACCOUNTABILITY.—

(B) Except as otherwise required by regulations of the Secretary, or in a notice under section 457(a)(1), an institution may maintain loan funds under this part in the same account as other Federal student financial assistance.

(2) PAYMENTS AND REFUNDS.—Payments and refunds shall be reconciled in a manner consistent with the manner set forth for the submission of a payment summary report required of institutions participating in the program under subpart 1 of part A, except that nothing in this paragraph shall prevent such reconciliations on a monthly basis.

(3) TRANSACTION HISTORIES.—All transaction histories under this part shall be maintained using the same system designated by the Secretary for the provision of Federal Pell Grants under subpart 1 of part A of this title.

(2) ENTITIES.—The entities with which the Secretary may enter into contracts shall include only entities which the Secretary determines are qualified to provide such services and supplies and will comply with the procedures applicable to the award of such contracts. In the case of awarding contracts for the origination, servicing, and collection of loans under this part, the Secretary shall enter into contracts only with entities that have extensive and relevant experience and demonstrated effectiveness. The entities with which the Secretary may enter into such contracts shall include, where practicable, agencies with agreements with the Secretary under sections 428(b) and (c), if such agencies meet the qualifications as determined by the Secretary under this subsection and if those agencies have such experience and demonstrated effectiveness. and

(E) for fiscal year 2003, shall not exceed \$195,000,000.

(A) IN GENERAL.—If the amounts set forth in paragraph (1) are insufficient to pay the account maintenance fees payable to guaranty agencies pursuant to subsection (b) for a fiscal year, the Secretary shall pay the insufficiency by requiring guaranty agencies to transfer funds from the Federal Student Loan Reserve Funds under section 422A to the Agency Operating Funds under section 422B.

(B) ENTITLEMENT.—A guaranty agency shall be deemed to have a contractual right against the United States to receive payments according to the provisions of subparagraph (A).

##### SEC. 462. [20 U.S.C. 1087bb] ALLOCATION OF FUNDS.

(a) ALLOCATION BASED ON PREVIOUS ALLOCATION.—(1) From the amount appropriated pursuant to section 461(b) for each fiscal

year, the Secretary shall first allocate to each eligible institution an amount equal to—

(A) 100 percent of the amount received under subsections (a) and (b) of this section for fiscal year 1999 (as such subsections were in effect with respect to allocations for such fiscal year)<sup>1</sup>, multiplied by

(B) the institution's default penalty, as determined under subsection (e),

except that if the institution has a cohort default rate in excess of the applicable maximum cohort default rate under subsection (f), the institution may not receive an allocation under this paragraph.

(2)(A) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this part after fiscal year 1999 but is not a first or second time participant, an amount equal to the greater of—

(i) \$5,000; or

(ii) 100 percent of the amount received and expended under this part for the first year it participated in the program.

(B) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this part after fiscal year 1999 and is a first or second time participant, an amount equal to the greatest of—

(i) \$5,000;

(ii) an amount equal to (I) 90 percent of the amount received and used under this part in the second preceding fiscal year by eligible institutions offering comparable programs of instruction, divided by (II) the number of students enrolled at such comparable institutions in such fiscal year, multiplied by (III) the number of students enrolled at the applicant institution in such fiscal year; or

(iii) 90 percent of the institution's allocation under this part for the preceding fiscal year.

(C) Notwithstanding subparagraphs (A) and (B) of this paragraph, the Secretary shall allocate to each eligible institution which—

(i) was a first-time participant in the program in fiscal year 2000 or any subsequent fiscal year, and

(ii) received a larger amount under this subsection in the second year of participation,

an amount equal to 90 percent of the amount it received under this subsection in its second year of participation.

(D) For any fiscal year after a fiscal year in which an institution receives an allocation under subparagraph (A), (B), or (C), the Secretary shall allocate to such institution an amount equal to the product of—

(i) the amount determined under subparagraph (A), (B), or (C), multiplied by

<sup>1</sup> Section 462(a)(1)(A) of P.L. 105-244 (112 Stat. 1720) amended this subparagraph by striking "the amount of *the* Federal capital contribution allocated to such institution under this part for fiscal year 1985" and inserting "the amount received under" through "fiscal year)". The amendment was executed to reflect the probable intent of Congress even though the italicized "the" was not in law.

(ii) the institution's default penalty, as determined under subsection (e), except that if the institution has a cohort default rate in excess of the applicable maximum cohort default rate under subsection (f), the institution may not receive an allocation under this paragraph.

(3)(A) If the amount appropriated for any fiscal year is less than the amount required to be allocated to all institutions under paragraph (1) of this subsection, then the amount of the allocation to each such institution shall be ratably reduced.

(B) If the amount appropriated for any fiscal year is more than the amount required to be allocated to all institutions under paragraph (1) but less than the amount required to be allocated to all institutions under paragraph (2), then—

(i) the Secretary shall allot the amount required to be allocated to all institutions under paragraph (1), and

(ii) the amount of the allocation to each institution under paragraph (2) shall be ratably reduced.

(C) If additional amounts are appropriated for any such fiscal year, such reduced amounts shall be increased on the same basis as they were reduced (until the amount allocated equals the amount required to be allocated under paragraphs (1) and (2) of this subsection).

(b) ALLOCATION OF EXCESS BASED ON SHARE OF EXCESS ELIGIBLE AMOUNTS.—(1) From the remainder of the amount appropriated pursuant to section 461(b) after making the allocations required by subsection (a) of this section, the Secretary shall allocate to each eligible institution which has an excess eligible amount an amount which bears the same ratio to such remainder as such excess eligible amount bears to the sum of the excess eligible amounts of all such eligible institutions (having such excess eligible amounts).

(2) For any eligible institution, the excess eligible amount is the amount, if any, by which—

(A)(i) that institution's eligible amount (as determined under paragraph (3)), divided by (ii) the sum of the eligible amounts of all institutions (as so determined), multiplied by (iii) the amount appropriated pursuant to section 461(b) for the fiscal year; exceeds

(B) the amount required to be allocated to that institution under subsection (a),

except that an eligible institution which has a cohort default rate in excess of the applicable maximum cohort default rate under subsection (f) may not receive an allocation under this paragraph.

(3) For any eligible institution, the eligible amount of that institution is equal to—

(A) the amount of the institution's self-help need, as determined under subsection (c); minus

(B) the institution's anticipated collections; multiplied by

(C) the institution's default penalty, as determined under subsection (e);

except that, if the institution has a cohort default rate in excess of the applicable maximum cohort default rate under subsection (f), the eligible amount of that institution is zero.

(c) DETERMINATION OF INSTITUTION'S SELF-HELP NEED.—(1) The amount of an institution's self-help need is equal to the sum of the self-help need of the institution's eligible undergraduate students and the self-help need of the institution's eligible graduate and professional students.

(2) To determine the self-help need of an institution's eligible undergraduate students, the Secretary shall—

(A) establish various income categories for dependent and independent undergraduate students;

(B) establish an expected family contribution for each income category of dependent and independent undergraduate students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;

(C) compute 25 percent of the average cost of attendance for all undergraduate students;

(D) multiply the number of eligible dependent students in each income category by the lesser of—

(i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or

(ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;

(E) add the amounts determined under subparagraph (D) for each income category of dependent students;

(F) multiply the number of eligible independent students in each income category by the lesser of—

(i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or

(ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction for any income category shall not be less than zero;

(G) add the amounts determined under subparagraph (F) for each income category of independent students; and

(H) add the amounts determined under subparagraphs (E) and (G).

(3) To determine the self-help need of an institution's eligible graduate and professional students, the Secretary shall—

(A) establish various income categories for graduate and professional students;

(B) establish an expected family contribution for each income category of graduate and professional students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;

(C) determine the average cost of attendance for all graduate and professional students;

(D) subtract from the average cost of attendance for all graduate and professional students (determined under subparagraph (C)), the expected family contribution (determined under subparagraph (B)) for each income category, except that the amount computed by such subtraction for any income category shall not be less than zero;

(E) multiply the amounts determined under subparagraph (D) by the number of eligible students in each category;

(F) add the amounts determined under subparagraph (E) for each income category.

(4)(A) For purposes of paragraphs (2) and (3), the term "average cost of attendance" means the average of the attendance costs for undergraduate students and for graduate and professional students, which shall include (i) tuition and fees determined in accordance with subparagraph (B), (ii) standard living expenses determined in accordance with subparagraph (C), and (iii) books and supplies determined in accordance with subparagraph (D).

(B) The average undergraduate and graduate and professional tuition and fees described in subparagraph (A)(i) shall be computed on the basis of information reported by the institution to the Secretary, which shall include (i) total revenue received by the institution from undergraduate and graduate tuition and fees for the second year preceding the year for which it is applying for an allocation, and (ii) the institution's enrollment for such second preceding year.

(C) The standard living expense described in subparagraph (A)(ii) is equal to 150 percent of the difference between the income protection allowance for a family of five with one in college and the income protection allowance for a family of six with one in college for a single independent student.

(D) The allowance for books and supplies described in subparagraph (A)(iii) is equal to \$450.

(d) ANTICIPATED COLLECTIONS.—(1) An institution's anticipated collections are equal to the amount which was collected during the second year preceding the beginning of the award period, multiplied by 1.21.

(2) The Secretary shall establish an appeals process by which the anticipated collections required in paragraph (1) may be waived for institutions with low cohort default rates in the program assisted under this part.

(e) DEFAULT PENALTIES.—

(1) YEARS PRECEDING FISCAL YEAR 2000.—For any fiscal year preceding fiscal year 2000, any institution with a cohort default rate that—

(A) equals or exceeds 15 percent, shall establish a default reduction plan pursuant to regulations prescribed by the Secretary, except that such plan shall not be required with respect to an institution that has a default rate of less than 20 percent and that has less than 100 students who have loans under this part in such academic year;

(B) equals or exceeds 20 percent, but is less than 25 percent, shall have a default penalty of 0.9;

(C) equals or exceeds 25 percent, but is less than 30 percent, shall have a default penalty of 0.7; and

(D) equals or exceeds 30 percent shall have a default penalty of zero.

(2) YEARS FOLLOWING FISCAL YEAR 2000.—For fiscal year 2000 and any succeeding fiscal year, any institution with a cohort default rate (as defined under subsection (g)) that equals or exceeds 25 percent shall have a default penalty of zero.

(3) INELIGIBILITY.—

(A) IN GENERAL.—For fiscal year 2000 and any succeeding fiscal year, any institution with a cohort default rate (as defined in subsection (g)) that equals or exceeds 50 percent for each of the 3 most recent years for which data are available shall not be eligible to participate in a program under this part for the fiscal year for which the determination is made and the 2 succeeding fiscal years, unless, within 30 days of receiving notification from the Secretary of the loss of eligibility under this paragraph, the institution appeals the loss of eligibility to the Secretary. The Secretary shall issue a decision on any such appeal within 45 days after the submission of the appeal. Such decision may permit the institution to continue to participate in a program under this part if—

(i) the institution demonstrates to the satisfaction of the Secretary that the calculation of the institution's cohort default rate is not accurate, and that recalculation would reduce the institution's cohort default rate for any of the 3 fiscal years below 50 percent; or

(ii) there are, in the judgment of the Secretary, such a small number of borrowers entering repayment that the application of this subparagraph would be inequitable.

(B) CONTINUED PARTICIPATION.—During an appeal under subparagraph (A), the Secretary may permit the institution to continue to participate in a program under this part.

(C) RETURN OF FUNDS.—Within 90 days after the date of any termination pursuant to subparagraph (A), or the conclusion of any appeal pursuant to subparagraph (B), whichever is later, the balance of the student loan fund established under this part by the institution that is the subject of the termination shall be distributed as follows:

(i) The Secretary shall first be paid an amount which bears the same ratio to such balance (as of the date of such distribution) as the total amount of Federal capital contributions to such fund by the Secretary under this part bears to the sum of such Federal capital contributions and the capital contributions to such fund made by the institution.

(ii) The remainder of such student loan fund shall be paid to the institution.

(D) USE OF RETURNED FUNDS.—Any funds returned to the Secretary under this paragraph shall be reallocated to institutions of higher education pursuant to subsection (i).

(E) DEFINITION.—For the purposes of subparagraph (A), the term “loss of eligibility” shall be defined as the mandatory liquidation of an institution’s student loan fund, and assignment of the institution’s outstanding loan portfolio to the Secretary.

(f) APPLICABLE MAXIMUM COHORT DEFAULT RATE.—

(1) AWARD YEARS PRIOR TO 2000.—For award years prior to award year 2000, the applicable maximum cohort default rate is 30 percent.

(2) AWARD YEAR 2000 AND SUCCEEDING AWARD YEARS.—For award year 2000 and subsequent years, the applicable maximum cohort default rate is 25 percent.

(g) DEFINITION OF COHORT DEFAULT RATE.—

(1)(A) The term “cohort default rate” means, for any award year in which 30 or more current and former students at the institution enter repayment on loans under this part (received for attendance at the institution), the percentage of those current and former students who enter repayment on such loans (received for attendance at that institution) in that award year who default before the end of the following award year.

(B) For any award year in which less than 30 of the institution’s current and former students enter repayment, the term “cohort default rate” means the percentage of such current and former students who entered repayment on such loans in any of the three most recent award years and who default before the end of the award year immediately following the year in which they entered repayment.

(C) A loan on which a payment is made by the institution of higher education, its owner, agency, contractor, employee, or any other entity or individual affiliated with such institution, in order to avoid default by the borrower, is considered as in default for the purposes of this subsection.

(D) In the case of a student who has attended and borrowed at more than one school, the student (and his or her subsequent repayment or default) is attributed to the school for attendance at which the student received the loan that entered repayment in the award year.

(E) In determining the number of students who default before the end of such award year, the institution, in calculating the cohort default rate, shall exclude—

(i) any loan on which the borrower has, after the time periods specified in paragraph (2)—

(I) voluntarily made 6 consecutive payments;

(II) voluntarily made all payments currently due;

(III) repaid in full the amount due on the loan; or

(IV) received a deferment or forbearance, based on a condition that began prior to such time periods;

(ii) any loan which has, after the time periods specified in paragraph (2), been rehabilitated or canceled; and

(iii) any other loan that the Secretary determines should be excluded from such determination.

(F) The Secretary shall prescribe regulations designed to prevent an institution from evading the application to that institution of a cohort default rate determination under this subsection through the use of such measures as branching, consolidation, change of ownership or control or other means as determined by the Secretary.

(2) For purposes of calculating the cohort default rate under this subsection, a loan shall be considered to be in default—

(A) 240 days (in the case of a loan repayable monthly),

or

(B) 270 days (in the case of a loan repayable quarterly),

after the borrower fails to make an installment payment when due or to comply with other terms of the promissory note.

(h) FILING DEADLINES.—The Secretary shall, from time to time, set dates before which institutions must file applications for allocations under this part.

(i) REALLOCATION OF EXCESS ALLOCATIONS.—

(1) IN GENERAL.—(A) If an institution of higher education returns to the Secretary any portion of the sums allocated to such institution under this section for any fiscal year, the Secretary shall reallocate 80 percent of such returned portions to participating institutions in an amount not to exceed such participating institution's excess eligible amounts as determined under paragraph (2).

(B) For the purpose of this subsection, the term "participating institution" means an institution of higher education that—

(i) was a participant in the program assisted under this part in fiscal year 1999; and

(ii) did not receive an allocation under subsection (a) in the fiscal year for which the reallocation determination is made.

(2) EXCESS ELIGIBLE AMOUNT.—For any participating institution, the excess eligible amount is the amount, if any, by which—

(A)(i) that institution's eligible amount (as determined under subsection (b)(3)), divided by (ii) the sum of the eligible amounts of all participating institutions (as determined under paragraph (3)), multiplied by (iii) the amount of funds available for reallocation under this subsection; exceeds

(B) the amount required to be allocated to that institution under subsection (b).

(3) REMAINDER.—The Secretary shall reallocate the remainder of such returned portions in accordance with regulations of the Secretary.

(4) ALLOCATION REDUCTIONS.—If under paragraph (1) of this subsection an institution returns more than 10 percent of its allocation, the institution's allocation for the next fiscal year shall be reduced by the amount returned. The Secretary may

waive this paragraph for a specific institution if the Secretary finds that enforcing it is contrary to the interest of the program.

(A) if the institution has knowingly failed to maintain an acceptable collection record with respect to such loan, as determined by the Secretary in accordance with criteria established by regulation, the Secretary may—

(i) require the institution to assign such note or agreement to the Secretary, without recompense; and

(ii) apportion any sums collected on such a loan, less an amount not to exceed 30 percent of any sums collected to cover the Secretary's collection costs, among other institutions in accordance with section 462; or

(B) if the institution is not one described in subparagraph (A), the Secretary may—

(i) allow such institution to transfer its interest in such loan to the Secretary, for collection, and the Secretary may use any collections thereon (less an amount not to exceed 30 percent of any such sums col-

lected to cover the Secretary's collection costs) to make allocations to institutions of additional capital contributions in accordance with section 462; or

(ii) allow such institution to refer such note or agreement to the Secretary, without recompense, except that any sums collected on such a loan (less an amount not to exceed 30 percent of any such sums collected to cover the Secretary's collection costs) shall be repaid to such institution no later than 180 days after collection by the Secretary and treated as an additional capital contribution;

(5) provide that, if an institution of higher education determines not to service and collect student loans made available from funds under this part, the institution will assign, at the beginning of the repayment period, notes or evidence of obligations of student loans made from such funds to the Secretary and the Secretary shall apportion any sums collected on such notes or obligations (less an amount not to exceed 30 percent of any such sums collected to cover that Secretary's collection costs) among other institutions in accordance with section 462;

(9) include such other reasonable provisions as may be necessary to protect the United States from unreasonable risk of loss and as are agreed to by the Secretary and the institution.

(b) ADMINISTRATIVE EXPENSES.—An institution which has entered into an agreement under subsection (a) shall be entitled, for each fiscal year during which it makes student loans from a student loan fund established under such agreement, to a payment in lieu of reimbursement for its expenses in administering its student loan program under this part during such year. Such payment shall be made in accordance with section 489.

(c) COOPERATIVE AGREEMENTS WITH CREDIT BUREAU ORGANIZATIONS.—(1) For the purpose of promoting responsible repayment of loans made pursuant to this part, the Secretary and each institution of higher education participating in the program under this part shall enter into cooperative agreements with credit bureau organizations to provide for the exchange of information concerning student borrowers concerning whom the Secretary has received a referral pursuant to section 467 and regarding loans held by the Secretary or an institution.

(2) Each cooperative agreement made pursuant to paragraph (1) shall be made in accordance with the requirements of section 430A except that such agreement shall provide for the disclosure by the Secretary or an institution, as the case may be, to such organizations, with respect to any loan held by the Secretary or the institution, respectively, of—

- (A)<sup>1</sup> the date of disbursement and the amount of such loans made to any borrower under this part at the time of disbursement of the loan;
- (B) information concerning the repayment and<sup>2</sup> collection of any such loan, including information concerning the repayment and<sup>2</sup> the status of such loan; and
- (C) the date of cancellation of the note upon completion of repayment by the borrower of any such loan, or upon cancellation or discharge of the borrower's obligation on the loan for any reason.
- (3) Notwithstanding paragraphs (4) and (6) of subsection (a) of section 605 of the Fair Credit Reporting Act (15 U.S.C. 1681c (a)(4), (a)(6)), a consumer reporting agency may make a report containing information received from the Secretary or an institution regarding the status of a borrower's account on a loan made under this part until the loan is paid in full.
- (4)(A) Except as provided in subparagraph (B), an institution of higher education, after consultation with the Secretary and pursuant to the agreements entered into under paragraph (1), shall disclose at least annually to any credit bureau organization with which the Secretary has such an agreement the information set forth in paragraph (2), and shall disclose promptly to such credit bureau organization any changes to the information previously disclosed.
- (B) The Secretary may promulgate regulations establishing criteria under which an institution of higher education may cease reporting the information described in paragraph (2) before a loan is paid in full.
- (5) Each institution of higher education shall notify the appropriate credit bureau organizations whenever a borrower of a loan that is made and held by the institution and that is in default makes 6 consecutive monthly payments on such loan, for the purpose of encouraging such organizations to update the status of information maintained with respect to that borrower.
- (d) LIMITATION ON USE OF INTEREST BEARING ACCOUNTS.—In carrying out the provisions of subsection (a)(9), the Secretary may not require that any collection agency, collection attorney, or loan servicer collecting loans made under this part deposit amounts collected on such loans in interest bearing accounts, unless such agency, attorney, or servicer holds such amounts for more than 45 days.
- (e) SPECIAL DUE DILIGENCE RULE.—In carrying out the provisions of subsection (a)(5) relating to due diligence, the Secretary shall make every effort to ensure that institutions of higher education may use Internal Revenue Service skip-tracing collection procedures on loans made under this part.

**SEC. 463A. [20 U.S.C. 1087cc-1] STUDENT LOAN INFORMATION BY ELIGIBLE INSTITUTIONS.**

(3) the amount of any charges collected by the institution at or prior to the disbursement of the loan and whether such charges are deducted from the proceeds of the loan or paid separately by the borrower;

(4) the stated interest rate on the loan;

(5) the yearly and cumulative maximum amounts that may be borrowed;

(6) an explanation of when repayment of the loan will be required and when the borrower will be obligated to pay interest that accrues on the loan;

(7) a statement as to the minimum and maximum repayment term which the institution may impose, and the minimum monthly payment required by law and a description of any penalty imposed as a consequence of default, such as liability for expenses reasonably incurred in attempts by the Secretary or institutions to collect on a loan;

(8) a statement of the total cumulative balance, including the loan applied for, owed by the student to that lender, and an estimate of the projected monthly payment, given such cumulative balance;

(9) an explanation of any special options the borrower may have for loan consolidation or other refinancing of the loan;

(10) a statement that the borrower has the right to prepay all or part of the loan, at any time, without penalty, a statement summarizing circumstances in which repayment of the loan or interest that accrues on the loan may be deferred, and a brief notice of the program for repayment of loans, on the basis of military service, pursuant to the Department of Defense educational loan repayment program (10 U.S.C. 16302);

(11) a definition of default and the consequences to the borrower if the borrower defaults, together with a statement that the disbursement of, and the default on, a loan under this part, shall be reported to a credit bureau or credit reporting agency;

(13) an explanation of any cost the borrower may incur in the making or collection of the loan.

(b) DISCLOSURE REQUIRED PRIOR TO REPAYMENT.—Each institution of higher education shall enter into an agreement with the Secretary under which the institution will, prior to the start of the

repayment period of the student borrower on loans made under this part, disclose to the student borrower the information required under this subsection. Any disclosure required by this subsection may be made by an institution of higher education either in a promissory note evidencing the loan or loans or in a written statement provided to the borrower. The disclosures shall include—

(1) the name of the institution of higher education, and the address to which communications and payments should be sent;

(2) the scheduled date upon which the repayment period is to begin;

(3) the estimated balance owed by the borrower on the loan or loans covered by the disclosure as of the scheduled date on which the repayment period is to begin (including, if applicable, the estimated amount of interest to be capitalized);

(4) the stated interest rate on the loan or loans, or the combined interest rate of loans with different stated interest rates;

(5) the nature of any fees which may accrue or be charged to the borrower during the repayment period;

(9) a statement that the borrower has the right to prepay all or part of the loan or loans covered by the disclosure at any time without penalty.

(c) **COSTS AND EFFECTS OF DISCLOSURES.**—Such information shall be available without cost to the borrower. The failure of an eligible institution to provide information as required by this section shall not (1) relieve a borrower of the obligation to repay a loan in accordance with its terms, (2) provide a basis for a claim for civil damages, or (3) be deemed to abrogate the obligation of the Secretary to make payments with respect to such loan.

**SEC. 464. [20 U.S.C. 1087dd] TERMS OF LOANS.**

(a) **TERMS AND CONDITIONS.**—(1) Loans from any student loan fund established pursuant to an agreement under section 463 to any student by any institution shall, subject to such conditions, limitations, and requirements as the Secretary shall prescribe by regulation, be made on such terms and conditions as the institution may determine.

(2)(A) Except as provided in paragraph (4), the total of loans made to a student in any academic year or its equivalent by an institution of higher education from a loan fund established pursuant to an agreement under this part shall not exceed—

(i) \$4,000, in the case of a student who has not successfully completed a program of undergraduate education; or

(ii) \$6,000, in the case of a graduate or professional student (as defined in regulations issued by the Secretary).

(B) Except as provided in paragraph (4), the aggregate unpaid principal amount for all loans made to a student by institutions of higher education from loan funds established pursuant to agreements under this part may not exceed—

(i) \$40,000, in the case of any graduate or professional student (as defined by regulations issued by the Secretary, and including any loans from such funds made to such person before such person became a graduate or professional student);

(ii) \$20,000, in the case of a student who has successfully completed 2 years of a program of education leading to a bachelor's degree but who has not completed the work necessary for such a degree (determined under regulations issued by the Secretary), and including any loans from such funds made to such person before such person became such a student; and

(iii) \$8,000, in the case of any other student.

(3) Regulations of the Secretary under paragraph (1) shall be designed to prevent the impairment of the capital student loan funds to the maximum extent practicable and with a view toward the objective of enabling the student to complete his course of study.

(4) In the case of a program of study abroad that is approved for credit by the home institution at which a student is enrolled and that has reasonable costs in excess of the home institution's budget, the annual and aggregate loan limits for the student may exceed the amounts described in paragraphs (2)(A) and (2)(B) by 20 percent.

(b) DEMONSTRATION OF NEED AND ELIGIBILITY REQUIRED.—(1) A loan from a student loan fund assisted under this part may be made only to a student who demonstrates financial need in accordance with part F of this title, who meets the requirements of section 484, and who provides the institution with the student's drivers license number, if any, at the time of application for the loan. A student who is in default on a loan under this part shall not be eligible for an additional loan under this part unless such loan meets one of the conditions for exclusion under section 462(g)(1)(E).

(2) If the institution's capital contribution under section 462 is directly or indirectly based in part on the financial need demonstrated by students who are (A) attending the institution less than full time, or (B) independent students, then a reasonable portion of the loans made from the institution's student loan fund containing the contribution shall be made available to such students.

(c) CONTENTS OF LOAN AGREEMENT.—(1) Any agreement between an institution and a student for a loan from a student loan fund assisted under this part—

(A) shall be evidenced by note or other written instrument which, except as provided in paragraph (2), provides for repayment of the principal amount of the loan, together with interest thereon, in equal installments (or, if the borrower so requests, in graduated periodic installments determined in accordance with such schedules as may be approved by the Secretary) payable quarterly, bimonthly, or monthly, at the option of the institution, over a period beginning nine months after

the date on which the student ceases to carry, at an institution of higher education or a comparable institution outside the United States approved for this purpose by the Secretary, at least one-half the normal full-time academic workload, and ending 10 years and 9 months after such date except that such period may begin earlier than 9 months after such date upon the request of the borrower;

(B) shall include provision for acceleration of repayment of the whole, or any part, of such loan, at the option of the borrower;

(C)(i) may provide, at the option of the institution, in accordance with regulations of the Secretary, that during the repayment period of the loan, payments of principal and interest by the borrower with respect to all outstanding loans made to the student from a student loan fund assisted under this part shall be at a rate equal to not less than \$40 per month, except that the institution may, subject to such regulations, permit a borrower to pay less than \$40 per month for a period of not more than one year where necessary to avoid hardship to the borrower, but without extending the 10-year maximum repayment period provided for in subparagraph (A) of this paragraph; and

(ii) may provide that the total payments by a borrower for a monthly or similar payment period with respect to the aggregate of all loans held by the institution may, when the amount of a monthly or other similar payment is not a multiple of \$5, be rounded to the next highest whole dollar amount that is a multiple of \$5;

(D) shall provide that the loan shall bear interest, on the unpaid balance of the loan, at the rate of 5 percent per year in the case of any loan made on or after October 1, 1981, except that no interest shall accrue (I)<sup>1</sup> prior to the beginning date of repayment determined under paragraph (2)(A)(i), or (II)<sup>1</sup> during any period in which repayment is suspended by reason of paragraph (2);

(E) shall provide that the loan shall be made without security and without endorsement;

(F) shall provide that the liability to repay the loan shall be canceled upon the death of the borrower, or if he becomes permanently and totally disabled as determined in accordance with regulations of the Secretary;

(G) shall provide that no note or evidence of obligation may be assigned by the lender, except upon the transfer of the borrower to another institution participating under this part (or, if not so participating, is eligible to do so and is approved by the Secretary for such purpose), to such institution, and except as necessary to carry out section 463(a)(6);

(H) pursuant to regulations of the Secretary, shall provide for an assessment of a charge with respect to the loan for failure of the borrower to pay all or part of an installment when due, which shall include the expenses reasonably incurred in attempting collection of the loan, to the extent permitted by

<sup>1</sup> So in law (112 Stat. 1726). Probably should be redesignated as clauses (i) and (ii).

the Secretary, except that no charge imposed under this subparagraph shall exceed 20 percent of the amount of the monthly payment of the borrower; and

(I) shall contain a notice of the system of disclosure of information concerning default on such loan to credit bureau or organizations under section 463(c).

(2)(A) No repayment of principal of, or interest on, any loan from a student loan fund assisted under this part shall be required during any period—

(i) during which the borrower—

(I) is pursuing at least a half-time course of study as determined by an eligible institution; or

(II) is pursuing a course of study pursuant to a graduate fellowship program approved by the Secretary, or pursuant to a rehabilitation training program for disabled individuals approved by the Secretary,

except that no borrower shall be eligible for a deferment under this clause, or loan made under this part while serving in a medical internship or residency program;

(ii) not in excess of 3 years during which the borrower is seeking and unable to find full-time employment;

(iii) not in excess of 3 years for any reason which the lender determines, in accordance with regulations prescribed by the Secretary under section 435(o), has caused or will cause the borrower to have an economic hardship; or

(iv) during which the borrower is engaged in service described in section 465(a)(2);

and provides that any such period shall not be included in determining the 10-year period described in subparagraph (A) of paragraph (1).

(B) No repayment of principal of, or interest on, any loan for any period described in subparagraph (A) shall begin until 6 months after the completion of such period.

(C) An individual with an outstanding loan balance who meets the eligibility criteria for a deferment described in subparagraph (A) as in effect on the date of enactment of this subparagraph shall be eligible for deferment under this paragraph notwithstanding any contrary provision of the promissory note under which the loan or loans were made, and notwithstanding any amendment (or effective date provision relating to any amendment) to this section made prior to the date of such deferment.

(3)(A) The Secretary is authorized, when good cause is shown, to extend, in accordance with regulations, the 10-year maximum repayment period provided for in subparagraph (A) of paragraph (1) with respect to individual loans.

(B) Pursuant to uniform criteria established by the Secretary, the repayment period for any student borrower who during the repayment period is a low-income individual may be extended for a period not to exceed 10 years and the repayment schedule may be adjusted to reflect the income of that individual.

(4) The repayment period for a loan made under this part shall begin on the day immediately following the expiration of the period, specified in paragraph (1)(A), after the student ceases to carry the required academic workload, unless the borrower requests and

is granted a repayment schedule that provides for repayment to commence at an earlier point in time, and shall exclude any period of authorized deferment, forbearance, or cancellation.

(5) The institution may elect—

(A) to add the amount of any charge imposed under paragraph (1)(H) to the principal amount of the loan as of the first day after the day on which the installment was due and to notify the borrower of the assessment of the charge; or

(B) to make the amount of the charge payable to the institution not later than the due date of the next installment.

(6) Requests for deferment of repayment of loans under this part by students engaged in graduate or post-graduate fellowship-supported study (such as pursuant to a Fulbright grant) outside the United States shall be approved until completion of the period of the fellowship.

(7) There shall be excluded from the 9-month period that begins on the date on which a student ceases to carry at least one-half the normal full-time academic workload (as described in paragraph (1)(A)) any period not to exceed 3 years during which a borrower who is a member of a reserve component of the Armed Forces named in section 10101 of title 10, United States Code, is called or ordered to active duty for a period of more than 30 days (as defined in section 101(d)(2) of such title). Such period of exclusion shall include the period necessary to resume enrollment at the borrower's next available regular enrollment period.

(d) AVAILABILITY OF LOAN FUND TO ALL ELIGIBLE STUDENTS.—

An agreement under this part for payment of Federal capital contributions shall include provisions designed to make loans from the student loan fund established pursuant to such agreement reasonably available (to the extent of the available funds in such fund) to all eligible students in such institutions in need thereof.

(e) FORBEARANCE.—The Secretary shall ensure that, upon written request, an institution of higher education shall grant a borrower forbearance of principal and interest or principal only, renewable at 12-month intervals for a period not to exceed 3 years, on such terms as are otherwise consistent with the regulations issued by the Secretary and agreed upon in writing by the parties to the loan, if—

(1) the borrower's debt burden equals or exceeds 20 percent of such borrower's gross income; or

(2) the institution determines that the borrower should qualify for forbearance for other reasons.

(f) SPECIAL REPAYMENT RULE AUTHORITY.—(1) Subject to such restrictions as the Secretary may prescribe to protect the interest of the United States, in order to encourage repayment of loans made under this part which are in default, the Secretary may, in the agreement entered into under this part, authorize an institution of higher education to compromise on the repayment of such defaulted loans in accordance with paragraph (2). The Federal share of the compromise repayment shall bear the same relation to the institution's share of such compromise repayment as the Federal capital contribution to the institution's loan fund under this part bears to the institution's capital contribution to such fund.

(2) No compromise repayment of a defaulted loan as authorized by paragraph (1) may be made unless the student borrower pays—

- (A) 90 percent of the loan under this part;
- (B) the interest due on such loan; and
- (C) any collection fees due on such loan;

in a lump sum payment.

(g) DISCHARGE.—

(1) IN GENERAL.—If a student borrower who received a loan made under this part on or after January 1, 1986, is unable to complete the program in which such student is enrolled due to the closure of the institution, then the Secretary shall discharge the borrower's liability on the loan (including the interest and collection fees) and shall subsequently pursue any claim available to such borrower against the institution and the institution's affiliates and principals, or settle the loan obligation pursuant to the financial responsibility standards described in section 498(c).

(2) ASSIGNMENT.—A borrower whose loan has been discharged pursuant to this subsection shall be deemed to have assigned to the United States the right to a loan refund in an amount that does not exceed the amount discharged against the institution and the institution's affiliates and principals.

(3) ELIGIBILITY FOR ADDITIONAL ASSISTANCE.—The period during which a student was unable to complete a course of study due to the closing of the institution shall not be considered for purposes of calculating the student's period of eligibility for additional assistance under this title.

(4) SPECIAL RULE.—A borrower whose loan has been discharged pursuant to this subsection shall not be precluded, because of that discharge, from receiving additional grant, loan, or work assistance under this title for which the borrower would be otherwise eligible (but for the default on the discharged loan). The amount discharged under this subsection shall be treated as an amount canceled under section 465(a).

(5) REPORTING.—The Secretary or institution, as the case may be, shall report to credit bureaus with respect to loans that have been discharged pursuant to this subsection.

(h) REHABILITATION OF LOANS.—

(1) REHABILITATION.—

(A) IN GENERAL.—If the borrower of a loan made under this part who has defaulted on the loan makes 12 ontime, consecutive, monthly payments of amounts owed on the loan, as determined by the institution, or by the Secretary in the case of a loan held by the Secretary, the loan shall be considered rehabilitated, and the institution that made that loan (or the Secretary, in the case of a loan held by the Secretary) shall request that any credit bureau organization or credit reporting agency to which the default was reported remove the default from the borrower's credit history.

(B) COMPARABLE CONDITIONS.—As long as the borrower continues to make scheduled repayments on a loan rehabilitated under this paragraph, the rehabilitated loan shall be subject to the same terms and conditions, and

qualify for the same benefits and privileges, as other loans made under this part.

(C) ADDITIONAL ASSISTANCE.—The borrower of a rehabilitated loan shall not be precluded by section 484 from receiving additional grant, loan, or work assistance under this title (for which the borrower is otherwise eligible) on the basis of defaulting on the loan prior to such rehabilitation.

(D) LIMITATIONS.—A borrower only once may obtain the benefit of this paragraph with respect to rehabilitating a loan under this part.

(2) RESTORATION OF ELIGIBILITY.—If the borrower of a loan made under this part who has defaulted on that loan makes 6 ontime, consecutive, monthly payments of amounts owed on such loan, the borrower's eligibility for grant, loan, or work assistance under this title shall be restored to the extent that the borrower is otherwise eligible. A borrower only once may obtain the benefit of this paragraph with respect to restored eligibility.

(i) INCENTIVE REPAYMENT PROGRAM.—

(1) IN GENERAL.—Each institution of higher education may establish, with the approval of the Secretary, an incentive repayment program designed to reduce default and to replenish student loan funds established under this part. Each such incentive repayment program may—

(A) offer a reduction of the interest rate on a loan on which the borrower has made 48 consecutive, monthly repayments, but in no event may the rate be reduced by more than 1 percent;

(B) provide for a discount on the balance owed on a loan on which the borrower pays the principal and interest in full prior to the end of the applicable repayment period, but in no event may the discount exceed 5 percent of the unpaid principal balance due on the loan at the time the early repayment is made; and

(C) include such other incentive repayment options as the institution determines will carry out the objectives of this subsection.

(2) LIMITATION.—No incentive repayment option under an incentive repayment program authorized by this subsection may be paid for with Federal funds, including any Federal funds from the student loan fund, or with institutional funds from the student loan fund.

**SEC. 465. [20 U.S.C. 1087ee] CANCELLATION OF LOANS FOR CERTAIN PUBLIC SERVICE.**

(a) CANCELLATION OF PERCENTAGE OF DEBT BASED ON YEARS OF QUALIFYING SERVICE.—(1) The percent specified in paragraph (3) of this subsection of the total amount of any loan made after June 30, 1972, from a student loan fund assisted under this part shall be canceled for each complete year of service after such date by the borrower under circumstances described in paragraph (2).

(2) Loans shall be canceled under paragraph (1) for service—

(A) as a full-time teacher for service in an academic year in a public or other nonprofit private elementary or secondary

school which is in the school district of a local educational agency which is eligible in such year for assistance pursuant to title I of the Elementary and Secondary Education Act of 1965, and which for the purpose of this paragraph and for that year has been determined by the Secretary (pursuant to regulations and after consultation with the State educational agency of the State in which the school is located) to be a school in which the enrollment of children counted under section 111(c) of the Elementary and Secondary Education Act of 1965 exceeds 30 percent of the total enrollment of that school;

(B) as a full-time staff member in a preschool program carried on under the Head Start Act which is operated for a period which is comparable to a full school year in the locality if the salary of such staff member is not more than the salary of a comparable employee of the local educational agency;

(C) as a full-time special education teacher, including teachers of infants, toddlers, children, or youth with disabilities in a public or other nonprofit elementary or secondary school system, or as a full-time qualified professional provider of early intervention services in a public or other nonprofit program under public supervision by the lead agency as authorized in section 635(a)(10) of the Individuals With Disabilities Education Act<sup>1</sup>;

(D) as a member of the Armed Forces of the United States, for service that qualifies for special pay under section 310 of title 37, United States Code, as an area of hostilities;

(F) as a full-time law enforcement officer or corrections officer for service to local, State, or Federal law enforcement or corrections agencies;

(I) as a full-time employee of a public or private nonprofit child or family service agency who is providing, or supervising the provision of, services to high-risk children who are from low-income communities and the families of such children.

For the purpose of this paragraph, the term "children with disabilities" has the meaning set forth in section 602 of the Individuals with Disabilities Education Act.

(3)(A) The percent of a loan which shall be canceled under paragraph (1) of this subsection is—

(i) in the case of service described in subparagraph (A), (C), (F), (G), (H), or (I) of paragraph (2), at the rate of 15 percent for the first or second year of such service, 20 percent for the third or fourth year of such service, and 30 percent for the fifth year of such service;

<sup>1</sup> So in law. "With" should be "with". See P.L. 105-17; 111 Stat. 37.

(ii) in the case of service described in subparagraph (B) of paragraph (2), at the rate of 15 percent for each year of such service;

(iii) in the case of service described in subparagraph (D) of paragraph (2), not to exceed a total of 50 percent of such loan at the rate of 12½ percent for each year of qualifying service; or

(iv) in the case of service described in subparagraph (E) of paragraph (2) at the rate of 15 percent for the first or second year of such service and 20 percent for the third or fourth year of such service.

(B) If a portion of a loan is canceled under this subsection for any year, the entire amount of interest on such loan which accrues for such year shall be canceled.

(C) Nothing in this subsection shall be construed to authorize refunding of any repayment of a loan.

(4) For the purpose of this subsection, the term "year" where applied to service as a teacher means academic year as defined by the Secretary.

(5) The amount of a loan, and interest on a loan, which is canceled under this section shall not be considered income for purposes of the Internal Revenue Code of 1986.

(6) No borrower may, for the same volunteer service, receive a benefit under both this section and subtitle D of title I of the National and Community Service Act of 1990 (42 U.S.C. 12571 et seq.).

(7) An individual with an outstanding loan obligation under this part who performs service of any type that is described in paragraph (2) as in effect on the date of enactment of this paragraph shall be eligible for cancellation under this section for such service notwithstanding any contrary provision of the promissory note under which the loan or loans were made, and notwithstanding any amendment (or effective date provision relating to any amendment) to this section made prior to the date of such service.

(b) REIMBURSEMENT FOR CANCELLATION.—The Secretary shall pay to each institution for each fiscal year an amount equal to the aggregate of the amounts of loans from its student loan fund which are canceled pursuant to this section for such year, minus an amount equal to the aggregate of the amounts of any such loans so canceled which were made from Federal capital contributions to its student loan fund provided by the Secretary under section 468. None of the funds appropriated pursuant to section 461(b) shall be available for payments pursuant to this subsection. To the extent feasible, the Secretary shall pay the amounts for which any institution qualifies under this subsection not later than 3 months after the institution files an institutional application for campus-based funds.

(c) SPECIAL RULES.—

(1) LIST.—If the list of schools in which a teacher may perform service pursuant to subsection (a)(2)(A) is not available before May 1 of any year, the Secretary may use the list for the year preceding the year for which the determination is made to make such service determination.

(2) CONTINUING ELIGIBILITY.—Any teacher who performs service in a school which—

(A) meets the requirements of subsection (a)(2)(A) in any year; and

(B) in a subsequent year fails to meet the requirements of such subsection, may continue to teach in such school and shall be eligible for loan cancellation pursuant to subsection (a)(1) such subsequent years.

**SEC. 466. [20 U.S.C. 1087ff] DISTRIBUTION OF ASSETS FROM STUDENT LOAN FUNDS.**

(a) IN GENERAL.—After September 30, 2003, and not later than March 31, 2004, there shall be a capital distribution of the balance of the student loan fund established under this part by each institution of higher education as follows:

(1) The Secretary shall first be paid an amount which bears the same ratio to the balance in such fund at the close of September 30, 2003, as the total amount of the Federal capital contributions to such fund by the Secretary under this part bears to the sum of such Federal contributions and the institution's capital contributions to such fund.

(2) The remainder of such balance shall be paid to the institution.

(b) DISTRIBUTION OF LATE COLLECTIONS.—After March 31, 2012, each institution with which the Secretary has made an agreement under this part, shall pay to the Secretary the same proportionate share of amounts received by this institution after September 30, 2003, in payment of principal and interest on student loans made from the student loan fund established pursuant to such agreement (which amount shall be determined after deduction of any costs of litigation incurred in collection of the principal or interest on loans from the fund and not already reimbursed from the fund or from such payments of principal or interest), as was determined for the Secretary under subsection (a).

(c) DISTRIBUTION OF EXCESS CAPITAL.—(1) Upon a finding by the institution or the Secretary prior to October 1, 2004, that the liquid assets of a student loan fund established pursuant to an agreement under this part exceed the amount required for loans or otherwise in the foreseeable future, and upon notice to such institution or to the Secretary, as the case may be, there shall be, subject to such limitations as may be included in regulations of the Secretary or in such agreement, a capital distribution from such fund. Such capital distribution shall be made as follows:

(A) The Secretary shall first be paid an amount which bears the same ratio to the total to be distributed as the Federal capital contributions by the Secretary to the student loan fund prior to such distribution bear to the sum of such Federal capital contributions and the capital contributions to the fund made by the institution.

(B) The remainder of the capital distribution shall be paid to the institution.

(2) No finding that the liquid assets of a student loan fund established under this part exceed the amount required under para-

graph (1) may be made prior to a date which is 2 years after the date on which the institution of higher education received the funds from such institution's allocation under section 462.

(1) which was made under this part, and

(2) which is referred, transferred, or assigned to the Secretary by an institution with an agreement under section 463(a),

the Secretary is authorized to attempt to collect such loan by any means authorized by law for collecting claims of the United States (including referral to the Attorney General for litigation) and under such terms and conditions as the Secretary may prescribe, including reimbursement for expenses reasonably incurred in attempting such collection.

(b) **COLLECTION OF REFERRED, TRANSFERRED, OR ASSIGNED LOANS.**—The Secretary shall continue to attempt to collect any loan referred, transferred, or assigned under paragraph (5)(A), (5)(B)(i), or (6) of section 463(a) until all appropriate collection efforts, as determined by the Secretary, have been expended.

**SEC. 468. [20 U.S.C. 1087hh] GENERAL AUTHORITY OF SECRETARY.**

Except as otherwise provided therein, the amount of need of any student for financial assistance under this title (except subparts 1 or 2 of part A) is equal to—

**SEC. 478. [20 U.S.C. 1087rr] REGULATIONS; UPDATED TABLES.**

(a) AUTHORITY TO PRESCRIBE REGULATIONS RESTRICTED.—(1) Notwithstanding any other provision of law, the Secretary shall not have the authority to prescribe regulations to carry out this part except—

(A) to prescribe updated tables in accordance with subsections (b) through (h) of this section; or

(B) to propose modifications in the need analysis methodology required by this part.

(2) Any regulation proposed by the Secretary that (A) updates tables in a manner that does not comply with subsections (b) through (h) of this section, or (B) that proposes modifications under paragraph (1)(B) of this subsection, shall not be effective unless approved by joint resolution of the Congress by May 1 following the date such regulations are published in the Federal Register in accordance with section 482. If the Congress fails to approve such regulations by such May 1, the Secretary shall publish in the Federal Register in accordance with section 482 updated tables for the applicable award year that are prescribed in accordance with subsections (b) through (h) of this section.

(b) INCOME PROTECTION ALLOWANCE.—

(1) REVISED TABLES.—For each academic year after academic year 1993–1994, the Secretary shall publish in the Federal Register a revised table of income protection allowances for the purpose of sections 475(c)(4) and 477(b)(4). Such revised table shall be developed by increasing each of the dollar amounts contained in the table in each such section by a percentage equal to the estimated percentage increase in the Consumer Price Index (as determined by the Secretary) between December 1992 and the December next preceding the beginning of such academic year, and rounding the result to the nearest \$10.

(2) REVISED AMOUNTS.—For each academic year after academic year 2000–2001, the Secretary shall publish in the Federal Register revised income protection allowances for the purpose of sections 475(g)(2)(D) and 476(b)(1)(A)(iv). Such revised allowances shall be developed by increasing each of the dollar amounts contained in such section by a percentage equal to the estimated percentage increase in the Consumer Price Index (as

determined by the Secretary) between December 1999 and the December next preceding the beginning of such academic year, and rounding the result to the nearest \$10.

(c) ADJUSTED NET WORTH OF A FARM OR BUSINESS.—For each award year after award year 1993–1994, the Secretary shall publish in the Federal Register a revised table of adjusted net worth of a farm or business for purposes of sections 475(d)(2)(C), 476(c)(2)(C), and 477(c)(2)(C). Such revised table shall be developed—

(1) by increasing each dollar amount that refers to net worth of a farm or business by a percentage equal to the estimated percentage increase in the Consumer Price Index (as determined by the Secretary) between December 1992 and the December next preceding the beginning of such award year, and rounding the result to the nearest \$5,000; and

(2) by adjusting the dollar amounts “\$30,000”, “\$105,000”, and “\$195,000” to reflect the changes made pursuant to paragraph (1).

(d) EDUCATION SAVINGS AND ASSET PROTECTION ALLOWANCE.—For each award year after award year 1993–1994, the Secretary shall publish in the Federal Register a revised table of allowances for the purpose of sections 475(d)(3), 476(c)(3), and 477(c)(3). Such revised table shall be developed by determining the present value cost, rounded to the nearest \$100, of an annuity that would provide, for each age cohort of 40 and above, a supplemental income at age 65 (adjusted for inflation) equal to the difference between the moderate family income (as most recently determined by the Bureau of Labor Statistics), and the current average social security retirement benefits. For each age cohort below 40, the allowance shall be computed by decreasing the allowance for age 40, as updated, by one-fifteenth for each year of age below age 40 and rounding the result to the nearest \$100. In making such determinations—

(1) inflation shall be presumed to be 6 percent per year;

(2) the rate of return of an annuity shall be presumed to be 8 percent; and

(3) the sales commission on an annuity shall be presumed to be 6 percent.

(e) ASSESSMENT SCHEDULES AND RATES.—For each award year after award year 1993–1994, the Secretary shall publish in the Federal Register a revised table of assessments from adjusted available income for the purpose of sections 475(e) and 477(d). Such revised table shall be developed—

(1) by increasing each dollar amount that refers to adjusted available income by a percentage equal to the estimated percentage increase in the Consumer Price Index (as determined by the Secretary) between December 1992 and the December next preceding the beginning of such academic year, rounded to the nearest \$100; and

(2) by adjusting the other dollar amounts to reflect the changes made pursuant to paragraph (1).

(f) DEFINITION OF CONSUMER PRICE INDEX.—As used in this section, the term “Consumer Price Index” means the Consumer Price Index for All Urban Consumers published by the Department

of Labor. Each annual update of tables to reflect changes in the Consumer Price Index shall be corrected for misestimation of actual changes in such Index in previous years.

(g) STATE AND OTHER TAX ALLOWANCE.—For each award year after award year 1993–1994, the Secretary shall publish in the Federal Register a revised table of State and other tax allowances for the purpose of sections 475(c)(2), 475(g)(3), 476(b)(2), and 477(b)(2). The Secretary shall develop such revised table after review of the Department of the Treasury's Statistics of Income file and determination of the percentage of income that each State's taxes represent.

(h) EMPLOYMENT EXPENSE ALLOWANCE.—For each award year after award year 1993–1994, the Secretary shall publish in the Federal Register a revised table of employment expense allowances for the purpose of sections 475(c)(5), 476(b)(4), and 477(b)(5). Such revised table shall be developed by increasing the dollar amount specified in sections 475(c)(5)(A), 475(c)(5)(B), 476(b)(4)(A), 476(b)(4)(B), 477(b)(5)(A), and 477(b)(5)(B) to reflect increases in the amount and percent of the Bureau of Labor Statistics budget of the marginal costs for meals away from home, apparel and upkeep, transportation, and housekeeping services for a two-worker versus one-worker family.

**SEC. 479A. [20 U.S.C. 1087tt] DISCRETION OF STUDENT FINANCIAL AID ADMINISTRATORS.**

(a) IN GENERAL.—Nothing in this part shall be interpreted as limiting the authority of the financial aid administrator, on the basis of adequate documentation, to make adjustments on a case-by-case basis to the cost of attendance or the values of the data items required to calculate the expected student or parent contribution (or both) to allow for treatment of an individual eligible applicant with special circumstances. However, this authority shall not be construed to permit aid administrators to deviate from the contributions expected in the absence of special circumstances. Special circumstances may include tuition expenses at an elementary or secondary school, medical or dental expenses not covered by insurance, unusually high child care costs, recent unemployment of a family member, the number of parents enrolled at least half-time in a degree, certificate, or other program leading to a recognized educational credential at an institution with a program participation agreement under section 487, or other changes in a family's income, a family's assets, or a student's status. Special circumstances shall be conditions that differentiate an individual student from a class of students rather than conditions that exist across a class of students. Adequate documentation for such adjustments shall substantiate such special circumstances of individual students. In addition, nothing in this title shall be interpreted as limiting the authority of the student financial aid administrator in such cases to request and use supplementary information about the financial status or personal circumstances of eligible applicants in selecting recipients and determining the amount of awards under this title. No student or parent shall be charged a fee for collecting, processing, or delivering such supplementary information.

(b) ADJUSTMENTS TO ASSETS TAKEN INTO ACCOUNT.—A student financial aid administrator shall be considered to be making a necessary adjustment in accordance with subsection (a) if—

(1) the administrator makes adjustments excluding from family income any proceeds of a sale of farm or business assets of a family if such sale results from a voluntary or involuntary foreclosure, forfeiture, or bankruptcy or an involuntary liquidation; or

(2) the administrator makes adjustments in the award level of a student with a disability so as to take into consideration the additional costs such student incurs as a result of such student's disability.

(c) REFUSAL OR ADJUSTMENT OF LOAN CERTIFICATIONS.—On a case-by-case basis, an eligible institution may refuse to certify a statement that permits a student to receive a loan under part B or D, or may certify a loan amount or make a loan that is less than the student's determination of need (as determined under this part), if the reason for the action is documented and provided in written form to the student. No eligible institution shall discriminate against any borrower or applicant in obtaining a loan on the basis of race, national origin, religion, sex, marital status, age, or disability status.

**SEC. 479B. [20 U.S.C. 1087uu] DISREGARD OF STUDENT AID IN OTHER FEDERAL PROGRAMS.**

Notwithstanding any other provision of law, student financial assistance received under this title, or under Bureau of Indian Affairs student assistance programs, shall not be taken into account in determining the need or eligibility of any person for benefits or assistance, or the amount of such benefits or assistance, under any Federal, State, or local program financed in whole or in part with Federal funds.

**SEC. 483. [20 U.S.C. 1090] FORMS AND REGULATIONS.**

(a) **COMMON FINANCIAL AID FORM DEVELOPMENT AND PROCESSING.**—

(1) **SINGLE FORM REQUIRED.**—The Secretary, in cooperation with representatives of agencies and organizations involved in student financial assistance, shall produce, distribute, and process free of charge a common financial reporting form to be used to determine the need and eligibility of a student for financial assistance under parts A through E of this title (other than under subpart 4 of part A). The Secretary shall include on the form developed under this subsection such data items as the Secretary determines are appropriate for inclusion. Such items shall be selected in consultation with States to assist in the awarding of State financial assistance. In no case shall the number of such data items be less than the number included on the form on the date of enactment of the Higher Education Amendments of 1998. Such form shall satisfy the requirements of section 401(d) of this title.

(2) CHARGES TO STUDENTS AND PARENTS FOR USE OF FORM PROHIBITED.—The common financial reporting form prescribed by the Secretary under paragraph (1) shall be produced, distributed, and processed by the Secretary and no parent or student shall be charged a fee for the collection, processing, or delivery of financial aid through the use of such form. The need and eligibility of a student for financial assistance under parts A through E of this title (other than under subpart 4 of part A) may only be determined by using the form developed by the Secretary pursuant to paragraph (1) of this subsection. No student may receive assistance under parts A through E of this title (other than under subpart 4 of part A), except by use of the form developed by the Secretary pursuant to this section. No data collected on a form for which a fee is charged shall be used to complete the form prescribed under paragraph (1).

(3) DISTRIBUTION OF DATA.—Institutions of higher education, guaranty agencies, and States shall receive, without charge, the data collected by the Secretary using the form developed pursuant to this section for the purposes of processing loan applications and determining need and eligibility for institutional and State financial aid awards. Entities designated by institutions of higher education, guaranty agencies, or States to receive such data shall be subject to all the requirements of this section, unless such requirements are waived by the Secretary.

(4) CONTRACTS FOR COLLECTION AND PROCESSING.—(A) The Secretary shall, to the extent practicable, enter into not less than 5 contracts with States, institutions of higher education, or private organizations for the purposes of the timely collection and processing of the form developed pursuant to paragraph (1) and the timely delivery of the data submitted on such form. The Secretary shall use such contracts to assist States and institutions of higher education with the collection of additional data required to award State or institutional financial assistance, except that the Secretary shall not include these additional data items on the common financial reporting form developed pursuant to this section. The Secretary shall include in each such contract a requirement that—

(i) any charges by the contractor to the student or parent for additional data items required by a State or institution for any purpose (regardless of the method of collection) shall be reasonable and shall not exceed the marginal cost of collecting, processing, and delivering such additional data, taking into account any payment received by the contractor to produce, distribute, and process the common financial reporting form prescribed by the Secretary pursuant to paragraph (1); and

(ii) the contractor will require any person or entity to whom the contractor provides such additional data to agree not to collect from any student or parent any charge that would not be permitted under this subparagraph for any such additional data.

(B) To the extent practicable, the Secretary shall ensure that at least one contractor, or a portion of one contract, under this paragraph will serve graduate and professional students.

(E) All approved contractors shall be required to adhere to all editing, processing, and reporting requirements established by the Secretary to ensure consistency.

(F) No approved contractor shall enter into exclusive arrangements with guarantors, lenders, secondary markets, or institutions of higher education for the purpose of reselling or sharing of data collected for the multiple data entry process. All data collected under a contract issued by the Secretary pursuant to this paragraph for the multiple data entry process is the exclusive property of the Secretary and may not be transferred to a third party by an approved contractor without the Secretary's express written approval.

The Secretary shall prescribe such version not later than 120 days after the date of enactment of the Higher Education Amendments of 1998.

(B) Nothing in this section shall be construed to prohibit the use of the form developed by the Secretary pursuant to subparagraph (A) by an eligible institution, eligible lender, guaranty agency, State grant agency, private computer software providers, a consortium thereof, or such other entities as the Secretary may designate.

(C) No fee shall be charged to students in connection with the use of the electronic version of the form, or of any other electronic forms used in conjunction with such form in applying for Federal or State student financial assistance.

The specifications shall contain record layouts for required data. The Secretary shall develop in advance of each processing cycle an annual schedule for providing such specifications. The Secretary, to the extent practicable, shall use means of providing such specifications, including conferences and other meetings, outreach, and technical support mechanisms (such as training and printed reference materials). The Secretary shall, from time to time, solicit from such organizations and consortia means of improving the support provided by the Secretary.

(1) if the institution has provided such eligibility based on a verification of satisfactory immigration status by the Immigration and Naturalization Service,

(2) because the institution, under subsection (h)(4)(A)(i), was required to provide a reasonable opportunity to submit documentation, or

(3) because the institution, under subsection (h)(4)(B)(i), was required to wait for the response of the Immigration and Naturalization Service to the institution's request for official verification of the immigration status of the student.

(i) VALIDITY OF LOAN GUARANTEES FOR LOAN PAYMENTS MADE BEFORE IMMIGRATION STATUS VERIFICATION COMPLETED.—Notwithstanding subsection (h), if—

(1) a guaranty is made under this title for a loan made with respect to an individual,

(2) at the time the guaranty is entered into, the provisions of subsection (h) had been complied with,

(3) amounts are paid under the loan subject to such guaranty, and

(4) there is a subsequent determination that, because of an unsatisfactory immigration status, the individual is not eligible for the loan,

the official of the institution making the determination shall notify and instruct the entity making the loan to cease further payments under the loan, but such guaranty shall not be voided or otherwise nullified with respect to such payments made before the date the entity receives the notice.

(j) ASSISTANCE UNDER SUBPARTS 1 AND 3 OF PART A, AND PART C.—Notwithstanding any other provision of law, a student shall be eligible until September 30, 2004, for assistance under subparts 1 and 3 of part A, and part C, if the student is otherwise qualified and—

(2) RESTRICTION OR REDUCTIONS OF FINANCIAL AID.—A student's eligibility to receive grants, loans, or work assistance under this title shall be reduced if a financial aid officer determines under the discretionary authority provided in section 479A that telecommunications instruction results in a substantially reduced cost of attendance to such student.

(3) SPECIAL RULE.—For award years prior to the date of enactment of this subsection, the Secretary shall not take any compliance, disallowance, penalty, or other action against a student or an eligible institution when such action arises out of such institution's prior award of student assistance under this title if the institution demonstrates to the satisfaction of the Secretary that its course of instruction would have been in conformance with the requirements of this subsection.

(4) DEFINITION.—For the purposes of this subsection, the term "telecommunications" means the use of television, audio, or computer transmission, including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, computer conferencing, or video cassettes or discs, except that such term does not include a course that is delivered using video cassette or disc recordings at such institution and that is not delivered in person to other students of that institution.

Appropriate confirmation, through an application output document or through other means, of any person's registration shall fulfill the requirement to file a separate statement of compliance. In the absence of a confirmation from such data matches, an institution may also use data or documents that support either the student's registration, or the absence of a registration requirement for the student, to fulfill the requirement to file a separate statement of compliance. The mechanism for reporting the resolution of nonconfirmed matches shall be prescribed by the Secretary in regulations.

(o) STUDY ABROAD.—Nothing in this Act shall be construed to limit or otherwise prohibit access to study abroad programs approved by the home institution at which a student is enrolled. An otherwise eligible student who is engaged in a program of study abroad approved for academic credit by the home institution at which the student is enrolled shall be eligible to receive grant, loan, or work assistance under this title, without regard to whether such study abroad program is required as part of the student's degree program.

(2) If there is a determination by the Secretary that the social security number provided to an eligible institution by a student is incorrect, the institution shall deny or terminate the

student's eligibility for any grant, loan, or work assistance under this title until such time as the student provides documented evidence of a social security number that is determined by the institution to be correct.

(3) If there is a determination by the Secretary that the social security number provided to an eligible institution by a student is incorrect, and a correct social security number cannot be provided by such student, and a loan has been guaranteed for such student under part B of this title, the institution shall notify and instruct the lender and guaranty agency making and guaranteeing the loan, respectively, to cease further disbursements of the loan, but such guaranty shall not be voided or otherwise nullified with respect to such disbursements made before the date that the lender and the guaranty agency receives such notice.

(4) Nothing in this subsection shall permit the Secretary to take any compliance, disallowance, penalty, or other regulatory action against—

(A) any institution of higher education with respect to any error in a social security number, unless such error was a result of fraud on the part of the institution; or

**SEC. 484B. [20 U.S.C. 1091b] INSTITUTIONAL REFUNDS.**

**(a) RETURN OF TITLE IV FUNDS.—**

(1) IN GENERAL.—If a recipient of assistance under this title withdraws from an institution during a payment period or period of enrollment in which the recipient began attendance, the amount of grant or loan assistance (other than assistance received under part C) to be returned to the title IV programs is calculated according to paragraph (3) and returned in accordance with subsection (b).

**(2) LEAVE OF ABSENCE.—**

(A) LEAVE NOT TREATED AS WITHDRAWAL.—In the case of a student who takes a leave of absence from an institution for not more than a total of 180 days in any 12-month period, the institution may consider the student as not having withdrawn from the institution during the leave of absence, and not calculate the amount of grant and loan assistance provided under this title that is to be returned in accordance with this section if—

- (i) the institution has a formal policy regarding leaves of absence;
- (ii) the student followed the institution's policy in requesting a leave of absence; and
- (iii) the institution approved the student's request in accordance with the institution's policy.

(B) CONSEQUENCES OF FAILURE TO RETURN.—If a student does not return to the institution at the expiration of an approved leave of absence that meets the requirements of subparagraph (A), the institution shall calculate the amount of grant and loan assistance provided under this title that is to be returned in accordance with this section based on the day the student withdrew (as determined under subsection (c)).

**(3) CALCULATION OF AMOUNT OF TITLE IV ASSISTANCE EARNED.—**

(A) IN GENERAL.—The amount of grant or loan assistance under this title that is earned by the recipient for purposes of this section is calculated by—

- (i) determining the percentage of grant and loan assistance under this title that has been earned by the student, as described in subparagraph (B); and

(ii) applying such percentage to the total amount of such grant and loan assistance that was disbursed (and that could have been disbursed) to the student, or on the student's behalf, for the payment period or period of enrollment for which the assistance was awarded, as of the day the student withdrew.

(B) PERCENTAGE EARNED.—For purposes of subparagraph (A)(i), the percentage of grant or loan assistance under this title that has been earned by the student is—

(i) equal to the percentage of the payment period or period of enrollment for which assistance was awarded that was completed (as determined in accordance with subsection (d)) as of the day the student withdrew, provided that such date occurs on or before the completion of 60 percent of the payment period or period of enrollment; or

(ii) 100 percent, if the day the student withdrew occurs after the student has completed 60 percent of the payment period or period of enrollment.

(C) PERCENTAGE AND AMOUNT NOT EARNED.—For purposes of subsection (b), the amount of grant and loan assistance awarded under this title that has not been earned by the student shall be calculated by—

(i) determining the complement of the percentage of grant or loan assistance under this title that has been earned by the student described in subparagraph (B); and

(ii) applying the percentage determined under clause (i) to the total amount of such grant and loan assistance that was disbursed (and that could have been disbursed) to the student, or on the student's behalf, for the payment period or period of enrollment, as of the day the student withdrew.

(4) DIFFERENCES BETWEEN AMOUNTS EARNED AND AMOUNTS RECEIVED.—

(A) IN GENERAL.—If the student has received less grant or loan assistance than the amount earned as calculated under subparagraph (A) of paragraph (3), the institution of higher education shall comply with the procedures for late disbursement specified by the Secretary in regulations.

(B) RETURN.—If the student has received more grant or loan assistance than the amount earned as calculated under paragraph (3)(A), the unearned funds shall be returned by the institution or the student, or both, as may be required under paragraphs (1) and (2) of subsection (b), to the programs under this title in the order specified in subsection (b)(3).

(b) RETURN OF TITLE IV PROGRAM FUNDS.—

(B) an amount equal to—

(i) the total institutional charges incurred by the student for the payment period or period of enrollment for which such assistance was awarded; multiplied by

(ii) the percentage of grant and loan assistance awarded under this title that has not been earned by the student, as described in subsection (a)(3)(C)(i).

(2) RESPONSIBILITY OF THE STUDENT.—

(A) IN GENERAL.—The student shall return assistance that has not been earned by the student as described in subsection (a)(3)(C)(ii) in the order specified in paragraph (3) minus the amount the institution is required to return under paragraph (1).

(B) SPECIAL RULE.—The student (or parent in the case of funds due to a loan borrowed by a parent under part B or D) shall return or repay, as appropriate, the amount determined under subparagraph (A) to—

(i) a loan program under this title in accordance with the terms of the loan; and

(ii) a grant program under this title, as an overpayment of such grant and shall be subject to—

(I) repayment arrangements satisfactory to the institution; or

(II) overpayment collection procedures prescribed by the Secretary.

(C) REQUIREMENT.—Notwithstanding subparagraphs (A) and (B), a student shall not be required to return 50 percent of the grant assistance received by the student under this title, for a payment period or period of enrollment, that is the responsibility of the student to repay under this section.

(ii) To awards under subpart 3 of part A for the payment period or period of enrollment for which a return of funds is required.

(iii) To other assistance awarded under this title for which a return of funds is required.

(B) for institutions required to take attendance, is determined by the institution from such attendance records.

(2) SPECIAL RULE.—Notwithstanding paragraph (1), if the institution determines that a student did not begin the withdrawal process, or otherwise notify the institution of the intent to withdraw, due to illness, accident, grievous personal loss, or other such circumstances beyond the student's control, the institution may determine the appropriate withdrawal date.

(d) PERCENTAGE OF THE PAYMENT PERIOD OR PERIOD OF ENROLLMENT COMPLETED.—For purposes of subsection (a)(3)(B)(i), the percentage of the payment period or period of enrollment for which assistance was awarded that was completed, is determined—

(1) in the case of a program that is measured in credit hours, by dividing the total number of calendar days comprising the payment period or period of enrollment for which assistance is awarded into the number of calendar days completed in that period as of the day the student withdrew; and

(2) in the case of a program that is measured in clock hours, by dividing the total number of clock hours comprising the payment period or period of enrollment for which assistance is awarded into the number of clock hours—

(A) completed by the student in that period as of the day the student withdrew; or

(B) scheduled to be completed as of the day the student withdrew, if the clock hours completed in the period are not less than a percentage, to be determined by the Secretary in regulations, of the hours that were scheduled to be completed by the student in the period.

(e) **EFFECTIVE DATE.**—The provisions of this section shall take effect 2 years after the date of enactment of the Higher Education Amendments of 1998. An institution of higher education may choose to implement such provisions prior to that date.

No such waiver may include permission to exempt any such institution from designating a specific individual or a group of individuals to carry out the provisions of this section.

(d) DEPARTMENTAL PUBLICATION OF DESCRIPTIONS OF ASSISTANCE PROGRAMS.—(1) The Secretary shall make available to eligible institutions, eligible lenders, and secondary schools descriptions of Federal student assistance programs including the rights and responsibilities of student and institutional participants, in order to (A) assist students in gaining information through institutional sources, and (B) assist institutions in carrying out the provisions of this section, so that individual and institutional participants will be fully aware of their rights and responsibilities under such programs. In particular, such information shall include information to enable students and prospective students to assess the debt burden and monthly and total repayment obligations that will be incurred as a result of receiving loans of varying amounts under this title. In addition, such information shall include information to enable borrowers to assess the practical consequences of loan consolidation, including differences in deferment eligibility, interest rates, monthly payments, and finance charges, and samples of loan consolidation profiles to illustrate such consequences. The Secretary shall prominently display adjacent to any such direct link a disclaimer indicating that a direct link to a database does not constitute an endorsement or recommendation of the database, the provider of the database, or any services or products of such provider. The Secretary shall provide additional direct links to information resources from which students may obtain information about fraudulent and deceptive practices in the provision of services related to student financial aid.

(e) DISCLOSURES REQUIRED WITH RESPECT TO ATHLETICALLY RELATED STUDENT AID.—(1) Each institution of higher education which participates in any program under this title and is attended by students receiving athletically related student aid shall annually submit a report to the Secretary which contains—

**SEC. 485A. [20 U.S.C. 1092a] COMBINED PAYMENT PLAN.**

(a) ELIGIBILITY FOR PLAN.—Upon the request of the borrower, a lender described in subparagraph (A), (B), or (C) of section 428C(a)(1) of this Act, or defined in subpart I of part C of title VII of the Public Health Service Act may, with respect to a consolidation loan made under section 428C of this Act (and section 439(o) of this Act as in effect prior to the enactment of section 428C) and

loans guaranteed under subpart I of part C of title VII of the Public Health Service Act (known as Health Education Assistance Loans), offer a combined payment plan under which the lender shall submit one bill to the borrower for the repayment of all such loans for the monthly or other similar period of repayment.

(b) **APPLICABILITY OF OTHER REQUIREMENTS.**—A lender offering a combined payment plan shall comply with all provisions of section 428C applicable to loans consolidated or to be consolidated and shall comply with all provisions of subpart I of part C of title VII of the Public Health Service Act applicable to loans under that subpart which are made part of the combined payment plan, except that a lender offering a combined payment plan under this section may offer consolidation loans pursuant to section 428C(b)(1)(A) if such lender holds any outstanding loan of a borrower which is selected for inclusion in a combined payment plan.

(c) **LENDER ELIGIBILITY.**—Such lender may offer a combined payment plan only if—

(1) the lender holds an outstanding loan of that borrower which is selected by the borrower for incorporation into a combined payment plan pursuant to this section (including loans which are selected by the borrower for consolidation under this section); or

(2) the borrower certifies that the borrower has sought and has been unable to obtain a combined payment plan from the holders of the outstanding loans of that borrower.

(d) **BORROWER SELECTION OF COMPETING OFFERS.**—In the case of multiple offers by lenders to administer a combined payment plan for a borrower, the borrower shall select from among them the lender to administer the combined payment plan including its loan consolidation component.

(e) **EFFECT OF PLAN.**—Upon selection of a lender to administer the combined payment plan, the lender may reissue any Health Education Assistance Loan selected by the borrower for incorporation in the combined payment plan which is not held by such lender and the proceeds of such reissued loan shall be paid by the lender to the holder or holders of the loans so selected to discharge the liability on such loans, if—

(1) the lender selected to administer the combined payment plan has determined to its satisfaction, in accordance with reasonable and prudent business practices, for each loan being reissued (A) that the loan is a legal, valid, and binding obligation of the borrower; (B) that each such loan was made and serviced in compliance with applicable laws and regulations; and (C) the insurance on such loan is in full force and effect; and

(2) the loan being reissued was not in default (as defined in section 733(e)(3) of the Public Health Service Act) at the time the request for a combined payment plan is made.

(f) **NOTES AND INSURANCE CERTIFICATES.**—(1) Each loan reissued under subsection (e) shall be evidenced by a note executed by the borrower. The Secretary of Health and Human Services shall insure such loan under a certificate of comprehensive insurance with no insurance limit, but any such certificate shall only be issued to an authorized holder of loans insured under subpart I of

part C of title VII of the Public Health Service Act (including the Student Loan Marketing Association). Such certificates shall provide that all loans reissued under this section shall be fully insured against loss of principal and interest. Any insurance issued with respect to loans reissued under this section shall be excluded from the limitation on maximum insurance authority set forth in section 728(a) of the Public Health Service Act. Notwithstanding the provisions of section 729(a) of the Public Health Service Act, the reissued loan shall be made in an amount, including outstanding principal, capitalized interest, accrued unpaid interest not yet capitalized, and authorized late charges. The proceeds of each such loan will be paid by the lender to the holder of the original loan being reissued and the borrower's obligation to that holder on that loan shall be discharged.

(2) Except as otherwise specifically provided for under the provisions of this section, the terms of any reissued loan shall be the same as the terms of the original loan. The maximum repayment period for a loan reissued under this section shall not exceed the remainder of the period which would have been permitted on the original loan. If the lender holds more than one loan insured under subpart I of part C of title VII of the Public Health Service Act, the maximum repayment period for all such loans may extend to the latest date permitted for any individual loan. Any reissued loan may be consolidated with any other Health Education Assistance Loan as provided in the Public Health Service Act, and, with the concurrence of the borrower, repayment of any such loans during any period may be made in amounts that are less than the interest that accrues on such loans during that period.

(1) take such actions as are necessary to ensure that all internal and external systems, hardware, and data exchange infrastructure administered by the Department that are necessary for the processing, delivery, and administration of the grant, loan, and work assistance are Year 2000 compliant by March 31, 1999, such that there will be no business interruption after December 31, 1999;

(2) ensure that the Robert T. Stafford Federal Student Loan Program and the William D. (B) promptly publishes in the Federal Register a list of, and notifies Congress of, any provisions, the implementation of which the Secretary intends to postpone, with the reasons for such postponement.

(3) **EXCEPTIONS TO AUTHORITY.**—The Secretary may not postpone the implementation of one or more provisions described in this subsection longer than the earlier of—

(A) the period of time that the Secretary determines necessary to ensure that the processing and delivery systems of the institutions, lenders, and guaranty agencies referred to in paragraph (1)(A)(ii) are capable of functioning successfully after December 31, 1999; or

(B) one award year after the effective date applicable to such provision under the Higher Education Amendments of 1998.

(8) such agency or association shall make available to the public, upon request, and to the Secretary, and the State licensing or authorizing agency a summary of any review resulting in a final accrediting decision involving denial, termination, or suspension of accreditation, together with the comments of the affected institution.

(b) SEPARATE AND INDEPENDENT DEFINED.—For the purpose of subsection (a)(3), the term “separate and independent” means that—

(1) the members of the postsecondary education governing body of the accrediting agency or association are not elected or selected by the board or chief executive officer of any related, associated, or affiliated trade association or membership organization;

(2) among the membership of the board of the accrediting agency or association there shall be one public member (who is not a member of any related trade or membership organization) for each six members of the board, with a minimum of

one such public member, and guidelines are established for such members to avoid conflicts of interest;

(3) dues to the accrediting agency or association are paid separately from any dues paid to any related, associated, or affiliated trade association or membership organization; and

(4) the budget of the accrediting agency or association is developed and determined by the accrediting agency or association without review or resort to consultation with any other entity or organization.

(c) OPERATING PROCEDURES REQUIRED.—No accrediting agency or association may be recognized by the Secretary as a reliable authority as to the quality of education or training offered by an institution seeking to participate in the programs authorized under this title, unless the agency or association—

(1) performs, at regularly established intervals, on-site inspections and reviews of institutions of higher education (which may include unannounced site visits) with particular focus on educational quality and program effectiveness, and ensures that accreditation team members are well-trained and knowledgeable with respect to their responsibilities;

(2) requires that any institution of higher education subject to its jurisdiction which plans to establish a branch campus submit a business plan, including projected revenues and expenditures, prior to opening the branch campus;

(3) agrees to conduct, as soon as practicable, but within a period of not more than 6 months of the establishment of a new branch campus or a change of ownership of an institution of higher education, an on-site visit of that branch campus or of the institution after a change of ownership;

(4) requires that teach-out agreements among institutions are subject to approval by the accrediting agency or association consistent with standards promulgated by such agency or association;

(5) maintains and makes publicly available written materials regarding standards and procedures for accreditation, appeal procedures, and the accreditation status of each institution subject to its jurisdiction; and

(6) discloses publicly whenever an institution of higher education subject to its jurisdiction is being considered for accreditation or reaccreditation.

(d) LENGTH OF RECOGNITION.—No accrediting agency or association may be recognized by the Secretary for the purpose of this Act for a period of more than 5 years.

(e) INITIAL ARBITRATION RULE.—The Secretary may not recognize the accreditation of any institution of higher education unless the institution of higher education agrees to submit any dispute involving the final denial, withdrawal, or termination of accreditation to initial arbitration prior to any other legal action.

(f) JURISDICTION.—Notwithstanding any other provision of law, any civil action brought by an institution of higher education seeking accreditation from, or accredited by, an accrediting agency or association recognized by the Secretary for the purpose of this title and involving the denial, withdrawal, or termination of accredita-

tion of the institution of higher education, shall be brought in the appropriate United States district court.

(g) **LIMITATION ON SCOPE OF CRITERIA.**—Nothing in this Act shall be construed to permit the Secretary to establish criteria for accrediting agencies or associations that are not required by this section. Nothing in this Act shall be construed to prohibit or limit any accrediting agency or association from adopting additional standards not provided for in this section.

(h) **CHANGE OF ACCREDITING AGENCY.**—The Secretary shall not recognize the accreditation of any otherwise eligible institution of higher education if the institution of higher education is in the process of changing its accrediting agency or association, unless the eligible institution submits to the Secretary all materials relating to the prior accreditation, including materials demonstrating reasonable cause for changing the accrediting agency or association.

(i) **DUAL ACCREDITATION RULE.**—The Secretary shall not recognize the accreditation of any otherwise eligible institution of higher education if the institution of higher education is accredited, as an institution, by more than one accrediting agency or association, unless the institution submits to each such agency and association and to the Secretary the reasons for accreditation by more than one such agency or association and demonstrates to the Secretary reasonable cause for its accreditation by more than one agency or association. If the institution is accredited, as an institution, by more than one accrediting agency or association, the institution shall designate which agency's accreditation shall be utilized in determining the institution's eligibility for programs under this Act.

(j) **IMPACT OF LOSS OF ACCREDITATION.**—An institution may not be certified or recertified as an institution of higher education under section 102 and subpart 3 of this part or participate in any of the other programs authorized by this Act if such institution—

(1) is not currently accredited by any agency or association recognized by the Secretary;

(2) has had its accreditation withdrawn, revoked, or otherwise terminated for cause during the preceding 24 months, unless such withdrawal, revocation, or termination has been rescinded by the same accrediting agency; or

(3) has withdrawn from accreditation voluntarily under a show cause or suspension order during the preceding 24 months, unless such order has been rescinded by the same accrediting agency.

(k) **RELIGIOUS INSTITUTION RULE.**—Notwithstanding subsection (j), the Secretary shall allow an institution that has had its accreditation withdrawn, revoked, or otherwise terminated, or has voluntarily withdrawn from an accreditation agency, to remain certified as an institution of higher education under section 102 and subpart 3 of this part for a period sufficient to allow such institution to obtain alternative accreditation, if the Secretary determines that the reason for the withdrawal, revocation, or termination—

(1) is related to the religious mission or affiliation of the institution; and

(2) is not related to the accreditation criteria provided for in this section.

(I) LIMITATION, SUSPENSION, OR TERMINATION OF RECOGNITION.—(1) If the Secretary determines that an accrediting agency or association has failed to apply effectively the criteria in this section, or is otherwise not in compliance with the requirements of this section, the Secretary shall—

(A) after notice and opportunity for a hearing, limit, suspend, or terminate the recognition of the agency or association; or

(B) require the agency or association to take appropriate action to bring the agency or association into compliance with such requirements within a timeframe specified by the Secretary, except that—

(i) such timeframe shall not exceed 12 months unless the Secretary extends such period for good cause; and

(ii) if the agency or association fails to bring the agency or association into compliance within such timeframe, the Secretary shall, after notice and opportunity for a hearing, limit, suspend, or terminate the recognition of the agency or association.

(2) The Secretary may determine that an accrediting agency or association has failed to apply effectively the standards provided in this section if an institution of higher education seeks and receives accreditation from the accrediting agency or association during any period in which the institution is the subject of any interim action by another accrediting agency or association, described in paragraph (2)(A)(i), (2)(B), or (2)(C) of subsection (a) of this section, leading to the suspension, revocation, or termination of accreditation or the institution has been notified of the threatened loss of accreditation, and the due process procedures required by such suspension, revocation, termination, or threatened loss have not been completed.

(m) LIMITATION ON THE SECRETARY'S AUTHORITY.—The Secretary may only recognize accrediting agencies or associations which accredit institutions of higher education for the purpose of enabling such institutions to establish eligibility to participate in the programs under this Act or which accredit institutions of higher education or higher education programs for the purpose of enabling them to establish eligibility to participate in other programs administered by the Department of Education or other Federal agencies.

(n) INDEPENDENT EVALUATION.—(1) The Secretary shall conduct a comprehensive review and evaluation of the performance of all accrediting agencies or associations which seek recognition by the Secretary in order to determine whether such accrediting agencies or associations meet the criteria established by this section. The Secretary shall conduct an independent evaluation of the information provided by such agency or association. Such evaluation shall include—

(A) the solicitation of third-party information concerning the performance of the accrediting agency or association; and

(B) site visits, including unannounced site visits as appropriate, at accrediting agencies and associations, and, at the Secretary's discretion, at representative member institutions.

(2) The Secretary shall place a priority for review of accrediting agencies or associations on those agencies or associations that accredit institutions of higher education that participate most extensively in the programs authorized by this title and on those agencies or associations which have been the subject of the most complaints or legal actions.

(3) The Secretary shall consider all available relevant information concerning the compliance of the accrediting agency or association with the criteria provided for in this section, including any complaints or legal actions against such agency or association. In cases where deficiencies in the performance of an accreditation agency or association with respect to the requirements of this section are noted, the Secretary shall take these deficiencies into account in the recognition process. The Secretary shall not, under any circumstances, base decisions on the recognition or denial of recognition of accreditation agencies or associations on criteria other than those contained in this section. When the Secretary decides to recognize an accrediting agency or association, the Secretary shall determine the agency or association's scope of recognition. If the agency or association reviews institutions offering distance education courses or programs and the Secretary determines that the agency or association meets the requirements of this section, then the agency shall be recognized and the scope of recognition shall include accreditation of institutions offering distance education courses or programs.

(4) The Secretary shall maintain sufficient documentation to support the conclusions reached in the recognition process, and, if the Secretary does not recognize any accreditation agency or association, shall make publicly available the reason for denying recognition, including reference to the specific criteria under this section which have not been fulfilled.

(o) REGULATIONS.—The Secretary shall by regulation provide procedures for the recognition of accrediting agencies or associations and for the appeal of the Secretary's decisions.

(a) GENERAL REQUIREMENT.—For purposes of qualifying institutions of higher education for participation in programs under this title, the Secretary shall determine the legal authority to operate within a State, the accreditation status, and the administrative capability and financial responsibility of an institution of higher education in accordance with the requirements of this section.

(b) SINGLE APPLICATION FORM.—The Secretary shall prepare and prescribe a single application form which—

(1) requires sufficient information and documentation to determine that the requirements of eligibility, accreditation, financial responsibility, and administrative capability of the institution of higher education are met;

(2) requires a specific description of the relationship between a main campus of an institution of higher education and all of its branches, including a description of the student aid processing that is performed by the main campus and that which is performed at its branches;

(3) requires—

(A) a description of the third party servicers of an institution of higher education; and

(B) the institution to maintain a copy of any contract with a financial aid service provider or loan servicer, and provide a copy of any such contract to the Secretary upon request;

(4) requires such other information as the Secretary determines will ensure compliance with the requirements of this title with respect to eligibility, accreditation, administrative capability and financial responsibility; and

(5) provides, at the option of the institution, for participation in one or more of the programs under part B or D.

(c) FINANCIAL RESPONSIBILITY STANDARDS.—(1) The Secretary shall determine whether an institution has the financial responsibility required by this title on the basis of whether the institution is able—

(A) to provide the services described in its official publications and statements;

(B) to provide the administrative resources necessary to comply with the requirements of this title; and

(C) to meet all of its financial obligations, including (but not limited to) refunds of institutional charges and repayments to the Secretary for liabilities and debts incurred in programs administered by the Secretary.

(2) Notwithstanding paragraph (1), if an institution fails to meet criteria prescribed by the Secretary regarding ratios that demonstrate financial responsibility, then the institution shall provide the Secretary with satisfactory evidence of its financial responsibility in accordance with paragraph (3). Such criteria shall take into account any differences in generally accepted accounting principles, and the financial statements required thereunder, that are applicable to for profit<sup>1</sup>, public, and nonprofit institutions. The Secretary shall take into account an institution's total financial circumstances in making a determination of its ability to meet the standards herein required.

(3) The Secretary shall determine an institution to be financially responsible, notwithstanding the institution's failure to meet the criteria under paragraphs (1) and (2), if—

(A) such institution submits to the Secretary third-party financial guarantees that the Secretary determines are reasonable, such as performance bonds or letters of credit payable to the Secretary, which third-party financial guarantees shall equal not less than one-half of the annual potential liabilities of such institution to the Secretary for funds under this title, including loan obligations discharged pursuant to section 437,

and to students for refunds of institutional charges, including funds under this title;

(B) such institution has its liabilities backed by the full faith and credit of a State, or its equivalent;

(C) such institution establishes to the satisfaction of the Secretary, with the support of a financial statement audited by an independent certified public accountant in accordance with generally accepted auditing standards, that the institution has sufficient resources to ensure against the precipitous closure of the institution, including the ability to meet all of its financial obligations (including refunds of institutional charges and repayments to the Secretary for liabilities and debts incurred in programs administered by the Secretary); or

(D) such institution has met standards of financial responsibility, prescribed by the Secretary by regulation, that indicate a level of financial strength not less than those required in paragraph (2).

(4) If an institution of higher education that provides a 2-year or 4-year program of instruction for which the institution awards an associate or baccalaureate degree fails to meet the criteria imposed by the Secretary pursuant to paragraph (2), the Secretary shall waive that particular requirement for that institution if the institution demonstrates to the satisfaction of the Secretary that—

(A) there is no reasonable doubt as to its continued solvency and ability to deliver quality educational services;

(B) it is current in its payment of all current liabilities, including student refunds, repayments to the Secretary, payroll, and payment of trade creditors and withholding taxes; and

(C) it has substantial equity in school-occupied facilities, the acquisition of which was the direct cause of its failure to meet the criteria.

(5) The determination as to whether an institution has met the standards of financial responsibility provided for in paragraphs (2) and (3)(C) shall be based on an audited and certified financial statement of the institution. Such audit shall be conducted by a qualified independent organization or person in accordance with standards established by the American Institute of Certified Public Accountants. Such statement shall be submitted to the Secretary at the time such institution is considered for certification or recertification under this section. If the institution is permitted to be certified (provisionally or otherwise) and such audit does not establish compliance with paragraph (2), the Secretary may require that additional audits be submitted.

(6)(A) The Secretary shall establish requirements for the maintenance by an institution of higher education of sufficient cash reserves to ensure repayment of any required refunds.

(B) The Secretary shall provide for a process under which the Secretary shall exempt an institution of higher education from the requirements described in subparagraph (A) if the Secretary determines that the institution—

(i) is located in a State that has a tuition recovery fund that ensures that the institution meets the requirements of subparagraph (A);

(ii) contributes to the fund; and

(iii) otherwise has legal authority to operate within the State.

(d) ADMINISTRATIVE CAPACITY STANDARD.—The Secretary is authorized—

(1) to establish procedures and requirements relating to the administrative capacities of institutions of higher education, including—

(A) consideration of past performance of institutions or persons in control of such institutions with respect to student aid programs; and

(B) maintenance of records;<sup>1</sup>

(2) to establish such other reasonable procedures as the Secretary determines will contribute to ensuring that the institution of higher education will comply with administrative capability required by this title.

(e) FINANCIAL GUARANTEES FROM OWNERS.—(1) Notwithstanding any other provision of law, the Secretary may, to the extent necessary to protect the financial interest of the United States, require—

(A) financial guarantees from an institution participating, or seeking to participate, in a program under this title, or from one or more individuals who the Secretary determines, in accordance with paragraph (2), exercise substantial control over such institution, or both, in an amount determined by the Secretary to be sufficient to satisfy the institution's potential liability to the Federal Government, student assistance recipients, and other program participants for funds under this title; and

(B) the assumption of personal liability, by one or more individuals who exercise substantial control over such institution, as determined by the Secretary in accordance with paragraph (2), for financial losses to the Federal Government, student assistance recipients, and other program participants for funds under this title, and civil and criminal monetary penalties authorized under this title.

(2)(A) The Secretary may determine that an individual exercises substantial control over one or more institutions participating in a program under this title if the Secretary determines that—

(i) the individual directly or indirectly controls a substantial ownership interest in the institution;

(ii) the individual, either alone or together with other individuals, represents, under a voting trust, power of attorney, proxy, or similar agreement, one or more persons who have, individually or in combination with the other persons represented or the individual representing them, a substantial ownership interest in the institution; or

(iii) the individual is a member of the board of directors, the chief executive officer, or other executive officer of the institution or of an entity that holds a substantial ownership interest in the institution.

An ownership interest may include, but is not limited to—

- (A) a sole proprietorship;
- (B) an interest as a tenant-in-common, joint tenant, or tenant by the entirety;
- (C) a partnership; or
- (D) an interest in a trust.

(4) The Secretary shall not impose the requirements described in subparagraphs (A) and (B) of paragraph (1) on an institution that—

(A) has not been subjected to a limitation, suspension, or termination action by the Secretary or a guaranty agency within the preceding 5 years;

(B) has not had, during its 2 most recent audits of the institutions conduct of programs under this title, an audit finding that resulted in the institution being required to repay an amount greater than 5 percent of the funds the institution received from programs under this title for any year;

(C) meets and has met, for the preceding 5 years, the financial responsibility standards under subsection (c); and

(D) has not been cited during the preceding 5 years for failure to submit audits required under this title in a timely fashion.

(5) For purposes of section 487(c)(1)(G), this section shall also apply to individuals or organizations that contract with an institution to administer any aspect of an institution's student assistance program under this title.

(6) Notwithstanding any other provision of law, any individual who—

(A) the Secretary determines, in accordance with paragraph (2), exercises substantial control over an institution participating in, or seeking to participate in, a program under this title;

(B) is required to pay, on behalf of a student or borrower, a refund of unearned institutional charges to a lender, or to the Secretary; and

(C) willfully fails to pay such refund or willfully attempts in any manner to evade payment of such refund,

shall, in addition to other penalties provided by law, be liable to the Secretary for the amount of the refund not paid, to the same extent with respect to such refund that such an individual would be liable as a responsible person for a penalty under section 6672(a) of Internal Revenue Code of 1986 with respect to the non-payment of taxes.<sup>1</sup>

(f) ACTIONS ON APPLICATIONS AND SITE VISITS.—The Secretary shall ensure that prompt action is taken by the Department on any application required under subsection (b). The personnel of the Department of Education may conduct a site visit at each institution before certifying or recertifying its eligibility for purposes of any program under this title. The Secretary shall establish priorities by which institutions are to receive site visits, and shall, to the extent practicable, coordinate such visits with site visits by States, guaranty agencies, and accrediting bodies in order to eliminate duplication, and reduce administrative burden.

(g) TIME LIMITATIONS ON, AND RENEWAL OF, ELIGIBILITY.—

(1) GENERAL RULE.—After the expiration of the certification of any institution under the schedule prescribed under this section (as this section was in effect prior to the enactment of the Higher Education Act Amendments of 1998), or upon request for initial certification from an institution not previously certified, the Secretary may certify the eligibility for the purposes of any program authorized under this title of each such institution for a period not to exceed 6 years.

(2) NOTIFICATION.—The Secretary shall notify each institution of higher education not later than 6 months prior to the date of the expiration of the institution's certification.

(B) for not more than 3 complete award years if—

(i) the institution's administrative capability and financial responsibility is being determined for the first time;

(ii) there is a complete or partial change of ownership, as defined under subsection (i), of an eligible institution; or

(iii) the Secretary determines that an institution that seeks to renew its certification is, in the judgment of the Secretary, in an administrative or financial condition that may jeopardize its ability to perform its financial responsibilities under a program participation agreement.

(2) Whenever the Secretary withdraws the recognition of any accrediting agency, an institution of higher education which meets the requirements of accreditation, eligibility, and certification on the day prior to such withdrawal, the Secretary may, notwithstanding

to be paid to a lender or to the Secretary on or after 90 days after the date of enactment of that Act.

ing the withdrawal, continue the eligibility of the institution of higher education to participate in the programs authorized by this title for a period not to exceed 18 months from the date of the withdrawal of recognition.

(3) If, prior to the end of a period of provisional certification under this subsection, the Secretary determines that the institution is unable to meet its responsibilities under its program participation agreement, the Secretary may terminate the institution's participation in programs under this title.

(i) TREATMENT OF CHANGES OF OWNERSHIP.—(1) An eligible institution of higher education that has had a change in ownership resulting in a change of control shall not qualify to participate in programs under this title after the change in control (except as provided in paragraph (3)) unless it establishes that it meets the requirements of section 102 (other than the requirements in subsections (b)(5) and (c)(3)) and this section after such change in control.

(2) An action resulting in a change in control may include (but is not limited to)—

(B) another action determined by the Secretary to be a routine business practice.

(4)(A) The Secretary may provisionally certify an institution seeking approval of a change in ownership based on the preliminary review by the Secretary of a materially complete application that is received by the Secretary within 10 business days of the transaction for which the approval is sought.

(B) A provisional certification under this paragraph shall expire not later than the end of the month following the month in which the transaction occurred, except that if the Secretary has not issued a decision on the application for the change of ownership within that period, the Secretary may continue such provisional certification on a month-to-month basis until such decision has been issued.

(j) TREATMENT OF BRANCHES.—(1) A branch of an eligible institution of higher education, as defined pursuant to regulations of the Secretary, shall be certified under this subpart before it may participate as part of such institution in a program under this title, except that such branch shall not be required to meet the require-

ments of sections 102(b)(1)(E) and 102(c)(1)(C) prior to seeking such certification. Such branch is required to be in existence at least 2 years after the branch is certified by the Secretary as a branch campus participating in a program under this title, prior to seeking certification as a main campus or free-standing institution.

(2) The Secretary may waive the requirement of section 101(a)(2) for a branch that (A) is not located in a State, (B) is affiliated with an eligible institution, and (C) was participating in one or more programs under this title on or before January 1, 1992.

**SEC. 498A. [20 U.S.C. 1099c-1] PROGRAM REVIEW AND DATA.**

(1) shall provide for the conduct of program reviews on a systematic basis designed to include all institutions of higher education participating in programs authorized by this title;

(2) shall give priority for program review to institutions of higher education that are—

(A) institutions with a cohort default rate for loans under part B of this title in excess of 25 percent or which places such institutions in the highest 25 percent of such institutions;

(B) institutions with a default rate in dollar volume for loans under part B of this title which places the institutions in the highest 25 percent of such institutions;

(C) institutions with a significant fluctuation in Federal Stafford Loan volume, Federal Direct Stafford/Ford Loan volume, or Federal Pell Grant award volume, or any combination thereof, in the year for which the determination is made, compared to the year prior to such year, that are not accounted for by changes in the Federal Stafford Loan program, the Federal Direct Stafford/Ford Loan program, or the Pell Grant program, or any combination thereof;
